

COVENTRY MANOR

Architectural Review and Approval Application

Name: _____

Date: _____

Address: _____

Phone: _____

Briefly describe architectural change/addition in the space below. Attach drawings and paint samples.

Note:

- **Exterior painting:** paint colors must be included and may be natural and earth tones. Color selection should consider finish with flat or satin (or equivalent) acceptable. Bright and glossy finishes are not acceptable. The sample of paint color must indicate finish.
- **Fencing:** requires prior approval for change of structure, material, finish or location.
- **Home additions** require submittal of plans and specs.
- **Decks/patios/spas/driveway and roof replacement** may require a permit from the City of Boise Building Department. Prior approval is needed by HOA board.
- **Front lawn modification**

Please describe project request below:

Homeowners are to provide a copy of detailed plans & specifications in advance of construction; including elevations/heights, patios, decks, fencing & exterior colors as per Coventry Manor CC&Rs and architectural guidelines.
