WELCOME!

We are pleased that you have decided to become a member of the Moxie Ridge Community. The following document is the Amended and Restated Declaration of Covenants, Conditions, Restrictions, and Easements that will govern the Community. The purpose of the Declaration is to:

- Set forth basic residential use restrictions to protect you and your neighbors from undesirable or noxious uses by others in the Community.
- Set forth the rules by which the Community will govern itself through the Moxie Ridge Community Association, Inc.
- Set forth the procedure for budgets and assessments for Community expenses.
- Provide for the maintenance and improvement of the Community common areas.

Please read this entire Declaration carefully. It sets forth the rights and obligations of you and the other Community members. We make no representations of any kind (express or implied) through any agent, realtor, employee, or other person regarding the Community except as set forth in this Declaration. We expressly disclaim any representations, warranties, statements, or information about the Community not set forth herein.

DECLARATION HIGHLIGHTS

Please read this entire Declaration carefully, but we would like to highlight a few key provisions that may be of interest to you:

- Assessments:** Owners of each of the Lots are subject to Assessments. Regular Assessments may be adjusted from time-to-time, but will not increase by more than 10% per year, nor will a Special Assessment issue without the Association giving each Owner prior notice and opportunity to object at an Association meeting. With limited exceptions, the transferee of each Lot is required to pay a Transfer Assessment, the amount of which is set by the Board from time to time. See [Article 5](#).
- Association Management:** The Association will be managed by the Grantor during the Initial Development Period (where the Owners would find the management to be unduly burdensome). See [Section 10.2](#). Thereafter, the Association is governed by the Owners as desired. See [Article 2](#).
- Pets:** Owners may have up to two household pets. See [Section 3.8](#).
- Yard Signs:** Customary "For Sale", open house, construction, and political signs are permitted, but with strict limitations. No other signs are permitted. See [Section 3.17](#).
- Leasing:** Owners may lease to such Owner's family at any time, and may lease to others provided the lease term is six (6) months or longer. See [Section 3.2](#).
- Holiday Lights:** Permitted from November 15 to January 15. See [Section 3.21](#).
- Basketball Hoops:** Only permanent basketball hoops concreted in the ground with a metal pole are permitted within the Community, and no such basketball hoops may be installed without the prior written approval of the Committee. See [Section 3.4](#).
- Fencing:** Fences require approval of the Architectural Review Committee. See [Section 4.3](#).
- Trash Cans:** Trash cans and other trash receptacles, including recycling cans and receptacles, will not be visible except between 5:00 AM and 8:00 PM on the day selected by the trash collector for trash and recycling pick-up. Owners of certain Lots within the Community may be required to contract and pay for carry-out trash and recycling services. See [Section 3.23](#).

Memberships in the Association are appurtenant to, and cannot be separated from, ownership of a Lot. Membership in the Association cannot be transferred, pledged, assigned, or alienated

in any way except upon the transfer of the Lot that such membership is appurtenant to. Any attempt to make a prohibited membership transfer is void and will not be reflected on the books of the Association.

2.3 Membership Meetings; Voting. The Association will hold an annual meeting of the members and periodic special meetings of the members as set forth in the Bylaws. Each Owner is entitled to one (1) vote as a member in the Association for each Lot owned by that Owner (subject to each Owner's irrevocable appoint of Grantor as such Owner's during the Initial Development Period as set forth in Section 10.2).

Directors need not be Owners. During the Initial Development Period, Grantor has the exclusive right to appoint, remove, and replace directors at any time and from time-to-time in Grantor's sole discretion, and to otherwise fill vacancies on the Board as they arise. After the Initial Development Period, the Owners have the right to elect, remove, and replace directors as provided in the Bylaws. Any vacancies on the Board occurring after the Initial Development Period shall be filled by a plurality vote of the remaining directors through a special election at any meeting of the Board.

2.5 Delegation of Authority. The Board may at any time (and from time-to-time) delegate all or any portion of its powers and duties to committees, officers, employees, or to any person or entity to act as manager. The Association may employ or contract for the services of a professional manager or management company to manage the day-to-day affairs of the Association. No such employment or contract will have a term of more than one (1) year. If such manager is Grantor or Grantor's affiliate, such contract is subject to cancellation by the Association with or without cause and without payment of a termination fee (but including all fees incurred through the date of termination) so long as the Association provides at least thirty (30) days' prior notice of termination.

2.6 Powers of the Association. The Association has all the powers of a nonprofit corporation organized under Idaho law and all of the powers and duties set forth in the Community Documents, including the power to perform any and all acts which may be necessary to, proper for, or incidental to the foregoing powers. The powers of the Association include, by way of illustration and not limitation:

2.6.1 Assessments. The power and authority to levy Assessments against each Lot (except Common Area) and Owner thereof pursuant to the restrictions enunciated in this Declaration, and to enforce payment of such Assessments, all in accordance with the provisions of this Declaration. This power shall include the right of the Association to levy Assessments against the Lots and the Owners thereof to cover the operation and maintenance costs of Common Area and Maintenance Property.

A copy of the Community Rules as they may from time to time be adopted, amended, or repealed shall be mailed, e-mailed, faxed, or otherwise delivered to each Owner. Upon such mailing or delivery to the Owners, the Community Rules shall have the same force and effect as if they were set forth in and were made a part of this Declaration.

2.6.3 Common Area. The power and authority to acquire and dispose of, and the duty to manage, operate, maintain, repair, and replace the Common Area for the benefit of the Community; provided, however, except as permitted under Section 2.6.7 hereof, no interest in the Common Area will be disposed of without the approval by the vote or written consent of Owners representing more than sixty-five percent (65%) of the total voting power in the Association.

Such entry will be made with as little inconvenience to the Owner of such Lot as practical under the circumstances, and any damage caused thereby will be repaired by and at the expense of the Association.

2.6.7 Licenses, Easements and Rights-of-Way. The power to grant and convey to any third party such licenses, easements and rights-of-way in, on or under the Common Area as may be necessary or appropriate for the orderly maintenance, preservation, and enjoyment of the same, or for the preservation of the health, safety, convenience, and the welfare of the Community, or for the purpose of constructing, erecting, operating, or maintaining any of the following:

2.6.7.1 Underground lines, cables, wires, conduits, or other devices for the transmission of electricity or electronic signals for lighting, heating, power, telephone, television, or other purposes, and the above-ground lighting stanchions, meters, and other facilities associated with the provision of lighting and services;

2.6.7.2 Public and other sewers, storm drains, water drains and pipes, water supply systems, sprinkling systems, heating and gas lines or pipes, and any similar public or quasi-public improvements or facilities; and

2.6.7.3 Mailboxes and sidewalk abutments around such mailboxes or any service facility, berm, fencing, and landscaping abutting Common Areas, public and private streets or land conveyed for any public or quasi-public purpose including pedestrian and bicycle pathways.

2.6.8 Amenity Agreements. The power and authority to enter into any lease, license, use or other agreements as the Board deems proper or convenient to secure the use of off-site amenities or facilities for the benefit of the Community. Without limiting the generality of the foregoing, and only by way of example, the Association may enter into such agreements with others for the use of any recreational amenities or facilities, including clubhouses and swimming pools, by the Owners on such terms as the Association deems reasonable or prudent. In such event, any costs incurred by the Association related thereto will be Expenses, and such Expenses will be included in the Regular Assessments.

2.6.9 Reserves. The power and authority to establish and fund such operating and capital reserves as the Board deems necessary or prudent.

2.6.10 Taxes. The power and authority to pay all real and personal property taxes and assessments (if any) levied against the Common Area, the Association, or any other property owned by the Association. In addition, the Association will pay all taxes, including income, revenue, corporate or other taxes (if any) levied against the Association.

2.6.11 Enforcement. The power and authority at any time and from time-to-time, on its own behalf or on behalf of any consenting Owners, to take any action, including any legal action, to prevent, restrain, enjoin, enforce or remedy any breach or threatened breach of the Community Documents. The power of enforcement includes:

2.6.11.1 The right to enter upon any Lot (but not inside any building constructed thereon) for the purpose of removing, altering, reconstructing, or restoring any Improvements constructed, reconstructed, refinished, added, altered, or maintained in violation of the Community Documents. If such Improvements are located on a Lot, the Association will first provide the Owner thereof with a notice specifying the default and a reasonable period to cure (no less than ten (10) days and no more than thirty (30) days), and if the Owner does not cure the default to the reasonable satisfaction of the Association within such cure period, the Owner of the Improvements will immediately reimburse the Association for all expenses incurred by the Association in connection with its removal, alteration, reconstruction, or restoration of such Improvements.

2.6.11.2 The right to enforce the obligations of the Owners to pay each and every Assessment or charge provided for in the Community Documents.

2.6.11.3 The right to perform any duty or obligation of an Owner under the Community Documents if such duty or obligation is not timely performed by such Owner. In such event, the defaulting Owner will immediately reimburse the Association for all costs reasonably incurred by the Association in performing such duty or obligation. Except in the event of an emergency, the Association will provide the defaulting Owner with a notice specifying the default and a reasonable period to cure (no less than ten (10) days and no more than thirty (30) days) prior to exercising its power and authority hereunder.

2.6.11.4 The right to authorize variances from the requirements of this Declaration when required by applicable law (such as the Fair Housing Act) or when needed to prevent the requirements would impose an undue hardship on an Owner that would be inequitable for such Owner to bear. The granting of a variance will not waive any element of the Declaration for any purpose except as to the particular Lot and the particular provision covered by the variance. Approval of a variance will not affect the Owner's obligation to comply with the other elements of this Declaration or applicable law.

If the Association employs attorneys to collect any Assessment or charge, whether by suit or otherwise, or to otherwise enforce compliance with the Community Documents, the Association is entitled to recover its reasonable attorneys' fees in addition to any other relief or remedy obtained.

2.6.12 Insurance. The power and authority to obtain such bonds and insurance as may be required by applicable law and such further insurance as the Board deems necessary or prudent, including casualty insurance for any property or Improvements owned or maintained by the Association, public liability insurance related to the Association's operations and the use of the Common Area, directors and officers liability coverage, automobile insurance, worker's

2.6.12.1 Casualty insurance on all insurable personal property and Improvements owned by the Association or for which the Association bears risk of loss, which insurance will be for the full replacement cost thereof without optional deductibles;

2.6.12.2 Worker's compensation insurance and employer's liability coverage as required by law;

2.6.12.3 Broad form comprehensive public liability insurance insuring the Association, the Board, the Committee and their respective agents and employees against any liability incident to the ownership or use of the Common Area or Maintenance Property; which insurance will be for not less than One Million Dollars (\$1,000,000) per occurrence with respect to personal injury/sickness/death and One Million Dollars (\$1,000,000) per occurrence with respect to property damage; and

2.6.12.4 Full coverage directors' and officers' liability insurance with a limit of at least Two Hundred Fifty Thousand Dollars (\$250,000).

2.6.13 Entitlement Obligations. The power and authority to fulfill any duties imposed by any governmental or other quasi-governmental agencies as part of the entitlements for the development of Community, including any requirements or obligations identified in such entitlements as the responsibility of community association or homeowners' association, such as plat notes, development agreements or conditions of approval.

2.6.14 Financing. The power and authority to enter into any agreements necessary or convenient to allow Owners to take full advantage of, or secure the full availability of, any financing programs offered or supported by the Federal National Mortgage Association (FNMA), the Government National Mortgage Association (GNMA), the Federal Housing Administration (FHA), the Veterans Administration (VA), the Federal Home Loan Mortgage Corporation (FHLMC) or any similar entity.

2.6.15 Estoppel Certificates. The power and authority to execute a written statement stating (a) whether or not, to the knowledge of the Association, a particular Owner or Owner's Lot is in default of this Declaration; (b) the dates to which any Assessments have been paid by a particular Owner, and (c) such other matters as the Board deems reasonable. Any such certificate may be relied upon by a bona-fide prospective purchaser or mortgagee of such Owner's Lot, but only to the extent such prospective purchaser or mortgagee has no knowledge to the contrary. The Association may charge a reasonable fee for such statements.

2.6.16 Improvements in the Public Right-of-Way. The power and authority to enter into license and easement agreements with ACHD (or assume the duties and obligations under any such license and easement agreements entered into by Grantor) to install, maintain, improve, irrigate, trim, repair and replace improvements and landscaping in the public rights-of-way (including sidewalk easements and planter strips).

2.6.17 Open Space Corridors. The power and authority to enter into agreements with any governmental entity, utility provider, irrigation company, conservation organization or any other public or private entity (or assume any such agreement entered into by Grantor) to improve, operate, maintain, repair or replace any corridor, open space, recreation facility, greenbelt or trail spaces,

either for the benefit of the Community or the general public, along with the power and authority to collect and pay the charges, fees, and assessments to any such public or private entity.

2.6.18 *Other*. Such other and further powers as the Board deems reasonable and appropriate, it being the intent of Grantor that the Association have broad power and authority consistent with the Community Documents and applicable law.

2.7 Association Records; Owner Inspection. The Association will keep such records of its business and affairs as is customary for community or homeowner associations, including a membership register, accounting records, financial statements, operating budgets, balance sheets and minutes of meetings of the Board, the members and committees. Such records will be available at the Association's regular offices for inspection and copying by any Owner at such Owner's expense. The Board may establish reasonable rules with respect to (a) notice to be given to the custodians of the records by persons desiring to make the inspection, (b) hours and days of the week when such an inspection may be made, and (c) payment of the cost of reproducing copies of documents requested pursuant to this Section 2.7. The Association's obligations hereunder may be fulfilled by making the records available to an Owner electronically, including delivery by electronic mail or the posting of such records on a website.

2.8 Immunity; Indemnification. Each Owner understands and agrees that Grantor, the Association, the Association's manager (if any), the Committee and the directors, officers, agents, employees and committee members of any of them (each individually a "**Released Party**") are immune from personal liability to such Owner or any other person, and such Owner hereby knowingly and voluntarily waives and releases each Released Party, for such Released Party's actions or failure to act with respect to the Community Documents that does not constitute gross negligence or willful misconduct on the part of such Released Party. The Association will indemnify, defend and hold each Released Party harmless from any action, expense, loss or damage caused by or resulting from such Released Party's actions or failure to act with respect to the Community Documents; provided, however, the Association is not obligated to indemnify, defend and hold harmless any Released Party for their own gross negligence or willful misconduct.

2.9 Waiver of Consequential Damages. Neither the Grantor nor the Association is liable to any Owner for, and each Owner releases the Grantor and the Association from, any form of indirect, special, punitive, exemplary, incidental or consequential or similar costs, expenses, damages or losses arising from or related to the Community.

ARTICLE 3 GENERAL AND SPECIFIC OBLIGATIONS AND RESTRICTIONS

3.1 Residential Use. All Lots (except Common Area Lots) will be used exclusively for residential purposes and other uses incidental thereto as permitted by this Declaration and applicable law. Except for Home Occupations permitted pursuant to this Section, no Lot will be used at any time for commercial or business activity. A "**Home Occupation**" is any lawful, gainful occupation conducted on a Lot by an Occupant of the Lot. A Lot may be used for a Home Occupation provided that the home office or studio related thereto is: (a) not more than five hundred (500) square feet in size; and (b) located entirely within a dwelling. The Home Occupation must be conducted in accordance with the other terms and limitations of the Community Documents and applicable law. A Lot may be used for other Home Occupations only upon the specific approval of the Association, which approval may be subject to such requirements and conditions as the Association deems appropriate, and which Home Occupation must be conducted in accordance with the other terms and limitations of the Community Documents and applicable law. No Home Occupation may (i) involve highly combustible materials, (ii) involve retail operations, (iii) use equipment or tools where the dimensions, weight or power rating are beyond normal household equipment or tools, (iv) cause abnormal automotive or pedestrian traffic in the Community, (v) be, in the reasonable opinion of the Board, objectionable due to unsightliness, odor, dust, smoke, noise, glare, heat,

vibration or similar disturbances, (vi) involve dispatch activities where employees meet in the Community and are sent to other locations, (vii) involve other uses that, in the reasonable opinion of the Association, would detract from the residential character of the Community. It is not a violation of this Section for an Owner to lease its Lot and the Improvements thereon in accordance with Section 3.2.

3.2 Leasing. In order to foster and maintain the stable, residential character of the Community and to preserve the Community values, no Owner may lease, in whole or part, such Owner's Lot or the primary residential dwelling located thereon to any person or entity except as expressly permitted in this Section 3.2. For purposes of this Section 3.2, the term "lease" as applied to a Lot will be deemed to include, without limitation, any rental, letting, subletting, licensing, demising or assignment of any interest, estate or right of use, enjoyment, occupancy or possession of any Lot (or portion thereof) to any entity or a person who is not a member of such Owner's family. For purposes of this Section 3.2, a "member of such Owner's family" will be defined as any person who is related to the Owner by blood, legal marriage or legal adoption. Each Owner may lease its entire Lot to any tenant comprised as a single housekeeping unit so long as such lease is for a term of six (6) months or greater. For purposes of this Section, the term "single housekeeping unit" will be one (1) or more individuals living together sharing household responsibilities and activities which may include, sharing expenses, chores, eating evening meals together and participating in recreational activities and having close social, economic and psychological commitments to each other. An Owner who leases a Lot is fully responsible for the conduct and activities of such Owner's tenant as if such Owner were the tenant. Any Owner who leases a Lot will comply with the Fair Housing Act to the extent it applies to such Owner.

If an Owner leases a Lot in violation of the restrictions set forth in this Section or otherwise fails to comply with this Section, such Owner shall be in default of this Declaration, and shall indemnify, defend and hold harmless the Association and the other Owners from and against any and all claims, loss or damage arising from or related to such violation, including any actions taken or fines or penalties imposed under federal law, and shall further be subject to the remedies described in Section 15.7 hereof

3.3 Exterior Maintenance Obligations. Each Owner will keep all Improvements on such Owner's Lot in good, safe condition and repair. Without limiting the generality of the foregoing, each Lot shall be kept in a neat, orderly, weed-free condition at all times, including the period prior to the Owner constructing any Improvements thereon. In the event that any Owner permits any Improvement on such Owner's Lot to: (a) fall into disrepair such that it, in the judgment of the Board, creates an unsafe, unsightly, unattractive, or inoperable condition; or (b) be constructed, reconstructed, refinished, removed, added, altered, or maintained in violation of this Declaration, the Association may exercise its power and authority hereunder to enter upon such Owner's Lot and take such action as the Association deems necessary or appropriate to correct such condition or violation. In such event, the defaulting Owner will immediately reimburse the Association for all costs reasonably incurred by the Association in correcting such condition or violation. Except in the event of an emergency, the Association will provide the defaulting Owner with a notice specifying the default and a reasonable period to cure (no less than ten (10) days and no more than thirty (30) days) prior to exercising its power and authority hereunder. Each Owner hereby designates the Association as the Owner's agent for purposes of Idaho's mechanic's lien statute (i.e., Idaho Code § 45-501), and each laborer, material supplier or other person who performs work on such Owner's Lot at the direction of the Association will have a mechanic's lien against the Owner's Lot for such work.

3.4 Nuisances. No rubbish or debris of any kind will be placed or permitted to accumulate anywhere upon the Community, including the Common Area or vacant Lots, so as to render the Community or any portion thereof unsanitary, unsightly, offensive or detrimental to the Community, or to any other property in the vicinity of the Community. No odor shall be permitted to arise from the Community so as to render the Community or any portion thereof unsanitary, offensive or detrimental to the Community, or to any other property in the vicinity of the Community. No business or Home Occupation, no noise, no

exterior fires, no obstructions of pedestrian walkways, no unsightliness or other nuisance will be permitted to exist or operate upon any portion of the Community so as to be offensive or detrimental to the Community or its Occupants or to other property in the vicinity or to its occupants or residents, as determined by the Board, in its reasonable judgment, or in violation of any federal, state or local law, rule, regulation or ordinance. Without limiting the generality of any of the foregoing, no whistles, bells or other sound devices (other than security devices used exclusively for security purposes which have been approved by the Committee), flashing lights or search lights will be located, used or placed on the Community without the Committee's approval. No unsightly articles will be permitted to remain on any Lot so as to be visible from any other portion of the Community. Without limiting the generality of the foregoing, refuse, garbage, trash, equipment, gas canisters, propane gas tanks, barbecue equipment, heat pumps, compressors, containers, lumber, firewood, grass, shrub or tree clippings, plant waste, metals, bulk material and scrap will be kept at all times in such containers and in areas approved by the Committee. No clothing or fabric will be hung, dried or aired in such a way as to be visible to any other portion of the Community. Only permanent basketball hoops, concreted in the ground with a metal pole, are permitted within the Community, and no such basketball hoops may be installed without the prior written approval of the Committee. No major appliances (such as clothes washers, dryers, refrigerators or freezers) may be kept, stored or operated on any balcony, patio, porch or other exterior area of any Improvement. Window air-conditioning units are not allowed. Windows will be covered only by drapes, shades or shutters that are white or muted earth tone in color, and will not be painted or covered by foil, cardboard, sheets or similar materials. Garage sales within the Community are prohibited except to the extent arranged by the Association.

3.5 No Hazardous Activities. No activities will be conducted on the Community, and no Improvements will be constructed in the Community which are or might be unsafe or hazardous to any Occupant.

3.6 Insurance Rates. Nothing will be done or kept on any Lot which will increase the rate of or cancel any insurance on any other portion of the Community without the approval of the Owner of such other portion, nor will anything be done or kept on the Community or a Lot which would result in the cancellation of insurance on any portion of the Community owned or managed by the Association or which would be in violation of any law.

3.7 Vehicles and Equipment. All on-street parking will be limited to those specific areas where on-street parking is not expressly prohibited by the governmental or quasi-governmental agencies with responsibility therefor, and nothing will be parked in such areas in excess of forty-eight (48) hours in any given seven (7) day period. Vehicles will not extend or otherwise be permitted on or into any sidewalk, bicycle path or pedestrian path unless such vehicle is engaged in an emergency procedure, or as provided elsewhere in the Community Documents. No motor homes, motor coaches, campers, trailers, snowmobiles, aircraft, boats, recreational vehicles, all-terrain vehicles, abandoned or inoperable vehicles (defined as any vehicle which has not been driven under its own propulsion for a period of forty-eight (48) hours or longer), oversized vehicles (defined as vehicles which are too high or too wide to clear the entrance of a standard residential garage door opening), dilapidated or unrepaired and unsightly vehicles or similar equipment such as snow removal equipment, garden maintenance equipment and/or any other unsightly equipment and machinery will be placed upon any portion of the Community, including but not limited to streets, parking areas and driveways, unless the same are located entirely within a garage and concealed from the view of anybody standing outside the garage, except when the garage is open to facilitate ingress and egress. To the extent possible, garage doors will remain closed at all times. Electric, gas or other fuel operated gardening, yard or snow removal equipment will only be operated from 7:00 a.m. to 9:00 p.m., subject to applicable law.

3.8 Animals/Pets. No animals, livestock or poultry of any kind will be raised, bred or kept on any Lot except that Household Pets (defined below) may be kept for an Owner's personal use provided that

(a) such Household Pets are not bred or maintained for any commercial purpose, (b) no more than two (2) of any combination of domesticated dogs or domesticated cats may be kept on a Lot, and (c) any such Household Pets will be properly restrained and controlled at any time they are within the Community. “**Household Pets**” means generally recognized household pets that are customarily kept as indoor pets, such as domesticated dogs, domesticated cats, fish, birds (excluding hens and chickens), rodents and non-poisonous reptiles. Household Pets will not include livestock, poultry (including hens and chickens), swine or waterfowl. Household Pets will not be kept which unreasonably bother or constitute a nuisance to other Owners. Any noisy animal (defined below), any vicious animal, any non-domestic household pet or any animal which damages or destroys property will be deemed a nuisance. Excessive or untimely barking, molesting passersby, chasing vehicles, pursuing or attacking other animals, including wildlife, and trespassing upon private property in such a manner as to damage the Community will also be deemed a nuisance. A “noisy animal” means any animal which habitually or frequently disturbs the sleep, peace or quiet of any Occupant. Owners will contact the local animal control agency regarding noisy animals prior to complaining to the Board about such animals. Any costs associated with responding to complaints of a noisy animal or nuisance pet may be levied against an Owner as a Limited Assessment. The Owner of a Lot where a Household Pet is kept, as well as the legal owner of the Household Pet (if not such Owner), will be jointly and severally liable for any and all damage and destruction caused by the Household Pet, and for any clean-up of any Common Area, roads or other property necessitated by such Household Pet.

3.9 Assistance Animals. Assistance animals are welcome in the Community in accordance with the Fair Housing Act (42 U.S.C. § 3601 et. seq., as amended) and the implementing regulations promulgated thereunder. An assistance animal will be as defined in the Fair Housing Act, which is currently any animal needed by a disabled individual to have an equal opportunity to use and enjoy a dwelling. Examples of assistance animals are guide animals, animals that alert people who are deaf, animals that pull a wheelchair, animals that alert and protect a guest who is having a seizure, animals that remind an individual with mental illness to take prescribed medications, animals that calm an individual with Post Traumatic Stress Disorder (PTSD) during an anxiety attack and animals that provide comfort or emotional support. Assistance animals in training are to be treated as assistance animals, even if the handler is not disabled. An assistance animal need not be licensed or certified by any government. Individuals with assistance animals will not be treated less favorably than other residents or charged fees that are not charged to other residents without animals. The Association has the right, to the extent permitted under the Fair Housing Act, to prohibit or restrict any assistance animal that (a) is out of control and the handler does not take effective action to control it, or (b) the animal’s behavior poses a threat to the health or safety of others. Any individual who brings an assistance animal on the Community is financially and legally responsible for any injury or damage caused by such assistance animal, and for any clean-up of Common Areas, roads or other property necessitated by such assistance animal.

3.10 Construction and Temporary Structures. During the course of construction, no trailer houses or similar mobile units designed for overnight accommodations will be parked on any street. No trailer, tent, shack, garage, barn or other unattached structure erected on a Lot will, at any time, be used as a residence, temporarily or permanently, nor will any residence of a temporary character be permitted. No building of any kind will be erected or maintained on a Lot prior to the construction of the Improvements thereon. The construction of Improvements will be prosecuted diligently and continuously from the time of commencement thereof until such Improvements are fully completed and painted. The construction site will be cleaned of trash and debris nightly and maintained in a non-nuisance condition.

3.11 Drainage. No Owner will interfere with the established drainage pattern over any portion of the Community, unless adequate alternative provisions for proper drainage have first been approved by the Committee and properly installed. For the purposes hereof, “established” drainage is defined as the system of drainage, whether natural or otherwise, which exists at the time the overall grading of any portion

of the Community is completed by Grantor, or that drainage which is shown on any plans approved by the Committee, which may include drainage from Common Area over any Lot in the Community.

3.12 Grading. Except as provided in Section 3.11, no Lot will drain onto, over, across or under the Common Area or an adjacent Lot. The Owner of any Lot within the Community in which grading or other work has been performed pursuant to a grading plan approved by any public agency, or by the Committee, will maintain and repair all graded surfaces and erosion prevention devices, retaining walls, drainage structures, means or devices which are not the responsibility of any public agency, and plantings and ground cover installed or completed thereon.

3.13 Irrigation System. Each Owner will install and connect its Lot to an Irrigation System upon the earlier to occur of the issuance of a certificate of occupancy or nine (9) months after the issuance of a building permit to ensure that all required landscaping is maintained in a high quality manner and first class condition and in accordance with the Community Documents. Each Owner acknowledges that the Association will not provide an irrigation system to the Community; instead, each Owner must connect its own Irrigation System to the public water utility at such Owner's own cost and expense.

3.14 Water Supply Systems. Except as set forth in this Declaration, no separate or individual water supply system, regardless of the proposed use of the water to be delivered by such system, will be permitted on any Lot unless such system is approved by all government authorities having jurisdiction and designed, located, constructed and equipped in accordance with the requirements, standards and recommendations of the Committee.

3.15 Sewage Disposal Systems. No individual sewage disposal system will be used on the Community. Each Owner will connect the appropriate facilities on such Owner's Lot to the public sewer system and pay all charges assessed thereon.

3.16 Energy Devices, Outside. No energy production devices or generators of any kind (such as solar energy devices or windmills) will be constructed or maintained on any portion of the Community without the Committee's approval, except for mechanical equipment shown in the plans approved by the Committee. This Section will not apply to passive solar energy systems incorporated into the approved design of a residential structure.

3.17 Signs. No more than one (1) sign will be allowed on any Lot at the same time to advertise the Lot for sale or to advertise the Lot during the course of construction, and all such signs shall be removed within fifteen (15) days of occupancy. Directional and open house signs may be used during open house time period only. No sign of any kind will be displayed to the public view more than six (6) square feet in size and not more than three (3) feet above grade. The Association may erect and maintain identification signs, street signs and other appropriate informational signs upon the Common Area or upon utility easements of a size and design approved by the Committee. No other signs will be placed or maintained upon the Common Area. Signs advertising a Lot for rent or lease are not allowed anywhere within the Community. Political signs are permitted for up to thirty (30) days prior to a primary or general election, and will be removed within two (2) days after any such election.

3.18 Flags. No flags, banners, windsocks or similar items are permitted within the Community except for a standard American flag that is no larger than three (3) feet in length.

3.19 Antenna; Satellite Dishes. All exterior radio antenna, television antenna, satellite dishes or other such devices of any type will be installed on the rear of the residential structure on the Lot, or within four (4) feet of the rear of the structure on any such structure's side walls. All such devices will be screened by a fence, landscaping or similar structures in accordance with the Design Requirements, or as otherwise required to ensure the safety of the residents of the Community, except that screening will not be

required where it would unreasonably delay installation or unreasonably increase the cost of installation, maintenance or use thereof, or preclude the reception of an acceptable quality signal. No such device may be installed until after an Owner has received Committee approval for construction of residential Improvements on the Owner's Lot.

3.20 No Further Subdivision. No Lot may be further subdivided unless the subdivision is approved by the Board, and then only in accordance with applicable law.

3.21 Holiday Lights. Winter holiday decorations and lighting displays are permitted starting on November 15 of each year and must be removed by January 15 of the following year. Any other holiday decorations or lighting displays (such as Halloween) are permitted up to fifteen (15) days prior to the holiday and must be removed within three (3) days after the holiday.

3.22 Common Driveway. There is hereby established a perpetual ingress/egress easement over, under, upon and through: (i) those southern portions of Lots 15, 16, and 17 in Block 1 of the Initial Plat which are identified as being within easement area on the Initial Plat, which areas are a common driveway for the benefit of such Lots; (ii) those northern portions of Lots 17, 18, 19, 20, and 21 in Block 2 of the Initial Plat which are identified as being within easement area on the Initial Plat, which areas are a common driveway for the benefit of such Lots; (iii) those western portions of Lots 10, 11, and 12, and the eastern portion of Lot 13 in Block 3 of the Initial Plat which are identified as being within easement area on the Initial Plat; and (iv) Lot 3 in Block 2 of the Initial Plat, which is a common driveway for the benefit of such of Lot 2 in Block 2 of the Initial Plat. The foregoing easements areas are each a "**Common Driveway**" and the above-identified Lots are each "**Common Driveway Lots.**" The Common Driveway Lots will take access to the public street through the Common Driveways benefitted such Lots and the Association will maintain, repair and replace the Common Driveways (including the surface paving thereon) as required by Boise City Code. Grantor may at any time hereafter encumber Lot 3 in Block 2 of the Initial Plat with a perpetual ingress/egress for the benefit of all or a portion of the area to the south of Lot 3 in Block 2 of the Initial Plat and identified as "Not a Part." Notwithstanding anything to the contrary contained in this Declaration, Common Driveways are not "Common Area" such that only the Lots benefitted by a particular Common Driveway are entitled to use the same.

3.23 Trash. Trash cans and other trash receptacles, including recycling cans and receptacles, will not be visible except between 5:00 AM and 8:00 PM on the day selected by the trash collector for trash and recycling pick-up. Owners of the following Lots shall be required to each separately contract for carry-out waste and recycling service and shall pay the fees associated therewith: Lots 15, 16, and 17 in Block 1; Lots 16, 17, 18, 19, 20, and 21 in Block 2; and Lots 10, 11, 12, and 13 in Block 3 of the Initial Plat, as curbside collection for these Lots is unavailable.

3.24 Marijuana-Free Community. No Owner may use, occupy, or permit the use or occupancy of any Lot (or any portion thereof) that in any manner relates to the use, sale, possession, cultivation, manufacture, distribution, or marketing of any substance containing any amount of marijuana, cannabis, or tetrahydrocannabinol, whether for commercial, medical, or personal purposes, whether or not such activities are lawful under all applicable laws (collectively, "**Prohibited Activities**"). Notwithstanding the foregoing, nothing in this section will prohibit any person from possessing and using any drug approved by the U.S. Food and Drug Administration that has been lawfully prescribed and lawfully obtained by such person, provided that such person only possesses and uses the drug in compliance with applicable law.

Any lease (as defined in Section 3.2) of a Lot entered into by an Owner must contain a clause expressly prohibiting the tenant thereunder from engaging or permitting others to engage in any Prohibited Activities, and further permitting the Owner to terminate the lease and evict the tenant in the event the tenant violates such clause or otherwise violates this Section 3.23. If the Owner becomes aware that its

tenant is or has been engaged, or is permitting or has permitted others to engage, in any Prohibited Activities on the Owner's Lot, then the Owner shall take all reasonable actions to terminate the lease in accordance with applicable law, evict the tenant, and otherwise take all reasonable actions to terminate the Prohibited Activities on such Lot. The Owner must keep the Association fully advised of the Owners actions and plans to prohibit and terminate the Prohibited Activities as required by this Section.

In addition and not by way of limitation, each Owner agrees to indemnify, defend and hold the Association and all other Owners harmless from and against any loss, claim (including without any governmental action for seizure or forfeiture of any real or personal property, with or without compensation, and whether or not the property is taken free of or subject to lien or security interest), damage, liability, fine, penalty, cost or expense (including attorneys' fees and expenses) arising from, out of, or related to any Prohibited Activities at or on the Owner's Lot and/or the indemnifying Owner's breach, violation, or failure to enforce or comply with any of the covenants set forth in this Section.

The failure by any Owner to fully and faithfully comply with this Section shall constitute a material non-curable event of default that grants the Association and any other Owner the right to exercise any right or remedy available in the Community Documents or at law.

ARTICLE 4 ARCHITECTURAL REVIEW COMMITTEE

4.1 Creation. The Board will appoint no less than three (3) and no more than five (5) individuals to serve on the Architectural Review Committee (the "**Committee**"). The Board has the exclusive right to appoint, remove and replace Committee members at any time with or without cause, and to fill vacancies on the Committee. If a vacancy on the Committee occurs and the Board has not yet appointed a replacement, the remaining Committee members may appoint an acting member to serve until the Board appoints a replacement. A Committee member need not be an Owner.

4.2 Design Requirements. The Committee has the power and authority to adopt, amend and repeal such rules and regulations as the Committee deems reasonable and appropriate to ensure that all Improvements in the Community conform and harmonize as to external design, quality and type of construction, architectural character, materials, color, location in the Building Envelope, height, grade and finish ground elevation, natural conditions, landscaping and other design or aesthetic considerations (the "**Design Requirements**"). The Design Requirements may include rules and regulations: (a) to protect the special qualities of the Community; (b) to encourage creative design; (c) to provide general architectural, design and construction guidelines; (d) that provide landscape guidelines (including a description of existing, natural conditions and vegetation); (e) that provide submittal and review procedures; (f) establishing fees and charges for review; and (g) establishing penalties for noncompliance. The Design Requirements will be drafted to conform to this Declaration, and in the event of a conflict between the Design Requirements and this Declaration, this Declaration will govern. In the event that any provision of the Design Requirements are deemed ambiguous on any matter, the Committee's interpretation of such provision will be given deference so long as the interpretation is a permissible construction of such provision.

4.3 Design Review Required. No Owner will construct, reconstruct, alter, install or remove any Improvements except with the Committee's approval. The Committee will review, study and either approve or reject the proposed Improvements on the Community, all in compliance with the Declaration and the Design Requirements. Except as otherwise set forth herein, any action or decision made by a majority of the Committee will be the binding decision of the entire Committee. The Committee is authorized to retain the services of one or more consulting architects, landscape architects, engineers, designers and other consultants to advise and assist the Committee on a single project, on a number of projects or on a continuing basis. The actions of the Committee in the exercise of its discretion by its

approval or disapproval of the proposed Improvements on the Community, or with respect to any other matter before it, will be conclusive and binding on all interested parties. The Committee will not direct or control the interior layout or interior design of residential structures except to the extent incidentally necessitated by use, size and height restrictions.

4.4 Landscaping. Without limiting the generality of Section 4.3, each Owner will install, maintain, repair, and replace landscaping on such Owner's Lot as required by the Design Requirements. The Owner will submit a landscaping plan to the Committee as part of any submittal for approval of a primary residential structure. The Owner will complete the front and side yard landscaping in conformance with the landscape plan approved by the Committee within thirty (30) days after substantial completion of the primary residential structure. The rear yard landscaping must be completed within six (6) months of substantial completion of the primary residential structure. If installation of landscaping is made impractical by inclement weather, the completion of landscaping may be deferred for a reasonable period of time in the discretion of the Committee (but will be completed no later than the next April 30th following occupancy). All Owners will install, maintain, repair, and replace a timer-controlled automated Irrigation System to service their respective Lots. No fences, hedges, or retaining walls will be installed or maintained on any Lot unless approved by the Committee.

4.5 Fences. Subject to the approval required by Section 4.3, each Owner shall be responsible for the construction, maintenance, and replacement of all fences desired on such Owner's property, and specific approval from the Committee shall be required prior to constructing any gate that opens to Common Area. Notwithstanding the foregoing, all fences that abut the Common Area shall be maintained by the Association; provided, however, that Owner of any Lot abutting such fence shall reimburse the Association for any damage to such fence caused by such Owner or its tenants, occupants, guests, invitees or contractors.

4.6 Expenses. All expenses of the Committee will be paid by the Association. The Committee will have the right to charge reasonable fees for applications submitted to it for review, in amounts which may be established by the Committee from time-to-time, and such fees will be collected by the Committee and remitted to the Association to help defray the expenses of the Committee's operation, including reasonable payment to each member of the Committee for their services as provided herein. Each Owner, by submitting a design review application to the Committee, agrees to pay any additional reasonable fees based on costs incurred by the Committee in retaining consultants for the review and approval of the Owner's application(s).

4.7 Variances. The Committee may authorize variances from any of the Design Requirements when the Committee deems it desirable to address special circumstances, such as topography, natural obstructions, hardship, aesthetic considerations or other circumstances. The granting of a variance will not waive any element of the Design Requirements for any purpose except as to the particular property and particular provision covered by the variance. Approval of a variance will not affect the Owner's obligation to comply with this Declaration or applicable law.

4.8 Committee Approvals. The Committee's approval of any Improvement does not mean the Improvements will be permitted by applicable law, approved by the applicable governmental authorities or others. The Committee will not be responsible in any way for any defects or errors in any plans or specifications submitted, revised or approved, nor for any structural or other defects in any work done according to such plans and specifications.

4.9 Immunity; Indemnification. The Committee's members, agents and employees will be immune from liability and entitled to indemnification as set forth in Section 2.8 hereof.

ARTICLE 5 ASSESSMENTS

5.1 Covenant to Pay Assessments. Each Owner covenants and agrees to pay when due (without deduction, setoff, abatement of counterclaim of any kind whatsoever) all Assessments or charges made against such Owner or such Owner's Lot pursuant to the Community Documents. Assessments against a Lot will be a continuing lien on such Lot until paid, whether or not ownership of such Lot is transferred. Assessments against a Lot are also the personal obligation of the Owner of the Lot when the Assessment becomes due and payable. Such personal obligation will remain with such Owner regardless of whether such Owner remains the owner of the Lot. Delinquent Assessments related to a Lot will not pass to such Owner's successors in title unless expressly assumed by them. Such Assessments and charges, together with interest, costs and reasonable attorneys' fees, which may be incurred in collecting the same, will be a charge on the land and will be a continuing lien upon the Community against which each such Assessment or charge is made.

5.2 Regular Assessments. Regular Assessments are to be used to pay for all costs and expenses incurred by the Association for the conduct of its affairs or the exercise of any of the Association's powers, duties or obligations under the Community Documents (collectively, the "**Expenses**"). Without limiting the generality of the foregoing, the Expenses will include:

5.2.1 The cost and expenses incurred by the Association for professional management of its business and affairs;

5.2.2 The costs and expenses incurred by the Association in the exercise of any of its powers under Section 2.6;

5.2.3 The costs and expenses of construction, improvement, protection, insurance, maintenance, repair, management and operation of the Common Area, Maintenance Property, and all Improvements located in other areas that are owned, managed or maintained by the Association; and

5.2.4 An amount to fund adequate reserves for extraordinary operating expenses, contingent risks or liabilities (such as indemnification and defense expenses), capital repairs, capital replacements and any other expenses for which the Board deems prudent to fund a reserve.

Notwithstanding anything to the contrary contained in this Declaration, if Grantor's initial transferee of a Lot is a building contractor, then such building contractor is only required to pay twenty-five percent (25%) of the Regular Assessments otherwise due for a maximum of thirty-six (36) months after taking title to the Lot. The foregoing building contractor discount terminates on the earlier of: (i) expiration of such thirty-six (36) month period; (ii) the building contractor's transfer of the Lot to a transferee that intends on occupying the residential structure of such Lot (either by itself or through a use agreement such as a lease, life estate, etc.); or (iii) actual occupancy, at which time the Owner of such Lot is required to pay one hundred percent (100%) of the Regular Assessments otherwise due. For the avoidance of doubt, the foregoing building contractor discount does not apply to any of Grantor's initial transferees that intend on occupying the residential structure located on such Lot.

5.3 Special Assessments. If the Board determines that the Regular Assessment for a given calendar year is or will be inadequate to meet the Expenses for such calendar year for any reason, the Board may levy a Special Assessment to collect the additional funds needed to meet the Expenses for such calendar year. Special Assessments will be levied and paid upon the same basis as Regular Assessments; provided, however, the Association will, in the Board's reasonable discretion, set the schedule under which such Special Assessment will be paid, which schedule may be different than Regular Assessments.

5.4 Limited Assessments. Notwithstanding the above provisions with respect to Regular Assessments and Special Assessments, the Association may levy a Limited Assessment against an Owner (a) for any Fines, fees or charges levied against the Owner under the Community Documents; (b) to reimburse the Association for any costs incurred to bring the Owner's Lot or any Improvements thereon into compliance with the Community Documents; (c) to reimburse the Association for any damages caused by an Owner or its tenants, occupants, guests, invitees and contractors to any Common Area, Maintenance Property, or Improvements owned or maintained by the Association; and (d) for the cost of providing any goods or services under the Community Documents that benefit such Owner or Owner's Lot, but less than all Owners or all Owners' Lots.

5.5 Transfer Assessments. Upon the transfer of fee simple title to a Lot to an Owner that intends on occupying the residential structure located on such Lot (either by itself or through a use agreement such as a lease, life estate, etc.), and upon each subsequent transfer of such Lot thereafter, the transferee will pay a transfer assessment to the Association in an amount determined by the Board from time to time (the "**Transfer Assessment**"). Each Transfer Assessment will be paid at the escrow closing of such Lot for the benefit of the Association, or if no such escrow closing, directly to the Association. The Transfer Assessments are to be used to pay for Expenses and are not be used for any purpose prohibited by law. Transfer Assessments are not be considered prepayment of any other type of Assessments, are in addition to the Owner's continuing obligation to pay all other types of Assessments, and are not refundable. For the avoidance of doubt, the initial building contractor for each Lot is not required to pay a Transfer Assessment upon receiving title to such Lot from Grantor

5.6 Assessment Procedures. Unless otherwise determined by the Board, the Association will compute and forecast the total amount of Expenses on an annual basis (the "**Budget**"). The computation of the Budget will take place not less than thirty (30) nor more than ninety (90) days before the beginning of each fiscal year of the Association, unless a change in Owners or other circumstance makes it impracticable to compute the Budget in that time frame, in which event the Budget will be computed as soon as reasonably practicable. In all events, the computation of the Budget will be completed in good faith and is valid upon completion. Each Owner's Regular Assessment will be computed by multiplying the Budget by the fraction produced by dividing the number of Lots owned by such Owner by the total number of Lots not then exempt from Assessment. The Association may, in its discretion or as provided in the Community Documents, require payment of Regular Assessments in monthly, quarterly, semi-annual, or annual installments. The Association will provide Owners with not less than fifteen (15) days and no more than thirty (30) days of prior notice before any Board meeting for the purpose of levying a Special Assessment or increasing the Regular Assessment by more than ten percent (10%). Assessments are due and payable within thirty (30) days after the Association provides an invoice therefor to each Owner. If all or any part of an Assessment is not paid when due, then: (a) the delinquent Owner will pay to the Association a late payment charge equal to 5% of the delinquent amount; and (b) interest accrues on the delinquent amount at the rate of twelve percent (12%) per annum until paid in full. In the event an Owner's payment is returned for any reason, such Owner will pay to the Association an administrative fee in an amount set by the Board and thereafter the Association has the right to require future Assessments due from such Owner to be paid in the form of a cashier's check, certified check, or other form of immediately collectible funds acceptable to the Association in the Board's discretion. Each Owner acknowledges and agrees that the late payment charge and administrative fee are reasonable compensation to the Association for additional administrative costs and expenses caused by any late payment or returned check.

5.7 Assessment Liens.

5.7.1 *Creation.* There is hereby created a continuing claim of lien with power of sale on each and every Lot to secure payment of any and all Assessments levied against such Lot pursuant to the Community Documents, together with interest thereon at the rate described in Section 5.6

and all collection costs and attorneys' fees which may be paid or incurred by the Association in connection therewith. Upon default of any Owner in the payment of any Assessment related to a Lot, the Association may record a claim of lien against such Lot in accordance with applicable law (currently, Idaho Code § 45-810). Each delinquency will constitute a separate basis for a claim of lien, but any number of defaults may be included within a single claim of lien. Such claim of lien may be foreclosed in any manner permitted by applicable law. Upon payment of such lien in full, the Association will prepare and record a release of such claim of lien.

5.7.2 *Subordination to First Mortgages.* Upon recordation of a claim of lien for delinquent Assessments in accordance with applicable law, such lien will be prior and superior to all other liens or claims created subsequent to the recordation of the claim of lien except for (a) liens which, by law, would be superior thereto and (b) the lien of a first Mortgage given and made in good faith and for value that is of record as an encumbrance against such Lot prior to the recordation of a claim of lien for the Assessments. Except as expressly provided in this Section 5.7.2, the sale or transfer of any Lot will not affect the Assessment lien provided for herein, nor the creation thereof by the recordation of a claim of lien, on account of the Assessments becoming due whether before, on, or after the date of such sale or transfer, nor will such sale or transfer diminish or defeat the personal obligation of any Owner for delinquent Assessments as provided for in this Declaration.

5.8 Exemptions. All Common Area and any Lots owned by the Association will be exempt from Assessments. Grantor will be exempt from Assessments as set forth in Section 10.5.

ARTICLE 6 RIGHTS TO COMMON AREAS

6.1 Use of Common Area. Every Owner will have a right to use the Common Area as set forth in this Declaration subject to:

6.1.1 The Community Documents;

6.1.2 The right of the Association to suspend the right of an Owner to use the Common Area for any period during which any Assessment or charge against such Owner's Lot remains unpaid and for a period not to exceed sixty (60) days for any infraction of the Community Rules; and

6.1.3 The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility or other party for such purposes and subject to such conditions as may be permitted by the Community Documents.

6.2 Delegation of Right to Use. An Owner may delegate its right to use the Common Area to the occupants of such Owner's Lot; provided, however, each Owner will be liable to the Association for any damage to any Common Area, Maintenance Property, or any other Improvements owned or maintained by the Association where such damage is sustained by reason of the negligence or willful misconduct of such Occupants. The cost of correcting such damage will be a Limited Assessment against the Lot.

6.3 Association's Responsibility. The Association will operate, maintain, repair, and replace the Common Area, Maintenance Property, and any other Improvements owned, managed, or maintained by the Association, so as to keep the same in good operating condition and repair, subject to and in accordance with the terms of this Declaration.

ARTICLE 7 EASEMENTS

7.1 Recorded Easements. The Community will be subject to all easements shown on any easements that are established or of record, including easements set forth on the Plat.

7.2 Easements of Encroachment. There will be reciprocal appurtenant easements of encroachment as between adjacent Lots and between Lots and adjacent portions of the Common Area due to the unwillful placement or settling or shifting of the Improvements constructed, reconstructed or altered in accordance with the Community Documents. Easements of encroachment will be valid only so long as they exist, and the rights and obligations of Owners will not be altered in any way because of encroachments, settling or shifting of the Improvements; provided, however, that in no event will a valid easement for encroachment occur due to the willful or bad faith acts of an Owner. If an Improvement is partially or totally destroyed, such Improvement may be repaired or rebuilt within such minor encroachments that existed prior to the encroachment and may be reconstructed pursuant to the easement granted by this Section 7.2.

7.3 Easements of Access. There will be reciprocal appurtenant easements of ingress and egress for all Owners to and from their respective Lots for installation and repair of utility services and for necessary maintenance and repair of any Improvement, such as fencing, retaining walls, lighting facilities, mailboxes and sidewalk abutments, trees and landscaping.

7.4 Improvements in Drainage and Utility Easements. No Owner will construct or alter any Improvements in any drainage or utility easement areas which would interfere with the easement being used for its intended purpose. Such Owners may install and maintain Improvements on such easement areas as permitted by the Community Documents so long as such Improvements are permitted by the terms of the easement and such Improvements will not interfere with or prevent the easement areas from being used for their intended purposes. No lawful user of the easement will incur any liability to such Owner for the damage or destruction of such Improvements.

7.5 Easements Deemed Created. All conveyances of Lots made after the date of the recording of the Declaration, whether by Grantor or otherwise, will be construed to grant and reserve the easements contained in this Article 7 and elsewhere in this Declaration, even though no specific reference to such easements appear in the conveyance instrument.

7.6 Emergency Easement. A general easement is hereby granted to all police, sheriff, fire protection, ambulance and all other similar emergency agencies to enter upon the Community in the proper performance of their duties.

7.7 Maintenance Easement. A non-exclusive easement is hereby reserved to the Grantor and the Association upon, across, over, in, and under all portions of all Lots that are not improved with an occupied structure. Grantor and the Association may use the easement reserved herein as Grantor or the Association may deem necessary, appropriate, or convenient to perform any of their respective rights or obligations identified in the Community Documents, to perform their respective duties and functions to which they are obligated or permitted to perform pursuant to the Community Documents, and to make emergency repairs. Nothing herein relieves each Owner's obligation to maintain Improvements on such Owner's Lot.

7.8 Grantor's Rights Incident to Construction. Grantor, for itself and its successors and assigns, hereby retains a right and easement of ingress and egress over, in, upon, under, and across the Community and the right to store materials thereon and to make such other use thereof as may be reasonably necessary or incident to the construction of the Improvements in the Community on those portions owned

by Grantor or the Association; provided, however, that no such rights shall be exercised by Grantor in such a way as to unreasonably interfere with the occupancy, use, enjoyment, or access to an Owner's Lot by that Owner or such Owner's family, tenants, employees, guests, or invitees.

ARTICLE 8 STORM WATER DRAINAGE AND RETENTION SYSTEM

8.1 Storm Water Drainage and Retention System. A portion of Lot 18 in Block 1; and portions of Lots 3 and 43 in Block 2 of the Initial Plat, are servient to and contain the ACHD Storm Water Drainage System (the "Storm Water Drainage System"), and are encumbered by that certain First Amended Master Perpetual Storm Water Drainage Easement recorded on November 10, 2015, as Instrument No. 2015-103256, official records of Ada County, Idaho and incorporated herein by this reference as if set forth in full (the "Storm Water Easement"). The Storm Water Easement and the Storm Water Drainage System are dedicated to the ACHD pursuant to Section 40-2302, Idaho Code. The Storm Water Easement is for the operation and maintenance of the Storm Water Drainage System.

8.2 Inspection and Maintenance. ACHD shall have the right at all times to inspect the Storm Water Drainage System and to perform any required maintenance and repairs.

8.3 Approval of Amendments. Any amendment of this Declaration having any direct impact or effect on the Storm Water Drainage System shall be subject to prior review and approval by ACHD.

8.4 Grading. There shall be no interference with the established drainage pattern over any portion of the Community, unless an adequate alternative provision is made for proper drainage and is first approved in writing by the Committee and AHCD. For the purposes hereof, "established" drainage is defined as the system of drainage, whether natural or otherwise, which exists at the time the overall grading of any portion of the Community is completed by Grantor, or that drainage which is shown on any plans approved by the Committee and/or ACHD, which may include drainage from the Common Area over any Lot in the Community.

ARTICLE 9 RESOLUTION OF DISPUTES

9.1 Agreement to Avoid Litigation. Grantor, the Association and the Owners agree that it is in their best interests to provide a fair, impartial and expeditious procedure for the resolution of disputes related to the Community Documents instead of costly, lengthy and unpredictable litigation. Accordingly, Grantor, the Association (including its officers, directors and committee members), each Owner and any party claiming a right or interest under the Community Documents (each, a "**Bound Party**") agree to encourage the efficient resolution of disputes within the Community without the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees that all claims, grievances or disputes arising out of or relating to the interpretation, application or enforcement of the Community Documents or the rights, obligations and duties of any Bound Party under the Community Documents ("**Claims**") will be subject to the provisions of Section 9.3 unless exempt under Section 9.2. All Claims will be subject to resolution pursuant to this Article 9 as a condition precedent to the institution or continuation of any legal or equitable proceeding; provided, however, any Bound Party may proceed in accordance with applicable law to comply with any notice or filing deadlines prior to resolution of the Claim.

9.2 Exemptions. The following Claims will not be subject to this Article 9 unless all Bound Parties thereto agree to submit such Claim to these dispute resolution procedures:

9.2.1 Any Claim by the Association against any Bound Party to enforce the obligation to pay any Assessment to the Association under the Community Documents;

9.2.2 Any Claim by Grantor or the Association to obtain injunction or equitable relief to enforce any provision of the Community Documents;

9.2.3 Any Claim between Owners where the Grantor or the Association are not a party thereto, which Claim would constitute a cause of action independent of the Community Documents;

9.2.4 Any Claim in which any indispensable party is not a Bound Party;

9.2.5 Any Claim against a Released Party that would be barred by Section 2.8;

9.2.6 Any Claim which otherwise would be barred by any applicable law (such as, for example, the applicable statute of limitations); and

9.2.7 Any Claim arising out of or relating to the interpretation, application or enforcement of any purchase, sale or construction agreement with Grantor or any builder related to the construction of Improvements within the Community, or the rights, obligations and duties of any Bound Party under such agreements, it being understood that applicable law and the provisions of such agreements will control the resolution of any claims or disputes related thereto.

9.3 Dispute Resolution.

9.3.1 Direct Discussions. Any Bound Party having a Claim against any other Bound Party will notify such party(ies) of the Claim in writing, stating plainly and concisely the following: (a) the nature of the Claim; (b) the legal basis of the Claim (i.e., the specific authority out of which the Claim arises); (c) the basic facts supporting the allegations in the Claim; (d) the other persons involved in the Claim or with personal knowledge of the facts alleged; and (e) the claimant's proposed remedy, including the specific monetary amounts (if any) demanded. The Bound Parties to the Claim will make reasonable efforts to meet in person to resolve the Claim by good faith discussions and negotiations – it being understood that the best opportunity to achieve a fair and satisfactory resolution to a Claim is ordinarily through early discussions and negotiations held in good faith.

9.3.2 Dispute Resolution. If the Bound Parties to a Claim are unable to resolve the Claim through direct discussions within a reasonable time, either Bound Party may submit the Claim to the Board for assistance in resolving the Claim. In such event, the Board may, by notice to each Bound Party to the Claim within thirty (30) days of its receipt of a request for assistance:

9.3.2.1 Order the Bound Parties to continue direct discussions and negotiations for a period of up to thirty (30) days. If the Claim is not resolved in such period, any Bound Party may request the Board's assistance to resolve the Claim;

9.3.2.2 Order the Bound Parties to mediate the Claim with an independent real estate attorney, real estate professional or judge selected by the Association. The mediator will set the rules of the mediation. Any party to the mediation can invite additional parties to the mediation if the presence of such additional party is required for a complete resolution of any Claim. The parties will share the mediator's fee and any filing fees equally. Unless otherwise agreed, the mediation will be held within thirty (30) days of the order for mediation and will be held in a neutral location near the Community selected by the mediator. Agreements reached in mediation will be enforceable as settlement

agreements in any court having jurisdiction thereof. If the mediation does not resolve the Claim, the Bound Parties may proceed to litigation of the Claim in any court of competent jurisdiction;

9.3.2.3 Order the Bound Parties to settle the Claim through arbitration by a single arbitrator conducted in accordance with the Idaho Uniform Arbitration Act (Idaho Code, Title 7, Chapter 9) except as otherwise provided herein. The arbitrator will be any independent real estate attorney or judge appointed by the Association. The arbitrator will set the rules of the arbitration. The arbitrator may, in its discretion, order parties to produce documents relevant to the dispute and may order written discovery and depositions (but with care to avoid burdensome discovery or depositions). The arbitrator will endeavor to hold the arbitration at mutually convenient times and locations; provided, however, the arbitrator will endeavor to complete the arbitration within forty-five (45) days after appointment of the arbitrator. The parties will bear their own attorneys' fees (if any) and share the arbitrator's fees equally; provided, however, the arbitrator may award costs, arbitrator's fees and attorneys' fees to the substantially prevailing party. The arbitrator's award will be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof;

9.3.2.4 If the Claim is within the jurisdiction of the Small Claims Department of the Magistrate Division (currently, monetary claims for \$5,000 or less), order a Bound Parties to file such Claim exclusively therein; or

9.3.2.5 Elect to exempt the Claim from this Article 9, at which time the Bound Parties are free to exercise any right or remedy in accordance with applicable law.

If the Board fails to notify the Bound Parties within thirty (30) days of its receipt of a request for assistance, the Board will be deemed to have elected to exempt the Claim from this Article 9.

9.3.3 If the Bound Parties resolve any Claim through mediation or arbitration pursuant to this Article 9 and any Bound Party thereafter fails to abide by the terms of such resolution (i.e., settlement agreement or arbitrator's award), then any other Bound Party may take any legal or other action to enforce such settlement agreement or arbitrator's award without the need to comply again with the procedures set forth in this Article 9. In such event, the Bound Party taking action to enforce the resolution will be entitled to recover from any non-complying Bound Party all costs and attorneys' fees reasonably incurred in such enforcement.

ARTICLE 10 INITIAL DEVELOPMENT PERIOD

10.1 Initial Development Period. The "Initial Development Period" commences on the Effective Date and terminates on the day Grantor (or the assignee of Grantor's rights hereunder) no longer owns any Lots (including Lots annexed into the Community in the future) or on the day Grantor terminates its rights by notice to the Association.

10.2 Community Management. Each Owner recognizes that the Community will require a high level of knowledge, effort, judgment, diligence and attention during the Initial Development Period, and that level is beyond what can reasonably be expected from Community volunteers. Accordingly, each Owner agrees that it is in the best interest of the Community for Grantor to have full management authority for the Community during the Initial Development Period, including the sole and exclusive right to appoint remove and replace directors of the Board and members of the Committee at any time and from time-to-

time in Grantor's sole discretion. In furtherance thereof, each Owner hereby irrevocably appoints Grantor as its proxy during the Initial Development Period with respect to its membership interest in the Association (including voting rights with respect to any matter for which a vote of the Owners is desired or required), which proxy will be coupled with Grantor's interest in the Community and, notwithstanding anything to the contrary contained elsewhere in the Community Documents, is irrevocable during the Initial Development Period.

10.3 General Exemptions. Grantor may, from time-to-time in Grantor's discretion and without first seeking or obtaining the approval of Association or Committee:

10.3.1 Make modifications or Improvements on any Lot or the Common Area as Grantor deems appropriate;

10.3.2 Place or authorize signs of such size, design and number as Grantor deems appropriate for the initial development of the Community, including signs to identify the Community, display information pertaining to the Community, display information or instructions to builders, to advertise Lots and homes for sale (including sale events and open houses), and to advertise of Community elements or events;

10.3.3 Authorize any developer or contractor to use any Lot as a model home, sales office, construction office or construction storage yard;

10.3.4 Place or authorize portable or temporary structures upon any Lot or the Common Area; and

10.3.5 Establish or reserve such additional covenants, conditions, restrictions or easements on any Lot prior to conveyance thereof as Grantor deems necessary or convenient for the development of the Lot or the Community.

10.4 Water Rights Appurtenant to Community Lands. Grantor owns certain water and water rights which are appurtenant to the Community. Grantor hereby reserves unto itself any and all such water and water rights appurtenant to the Community, and Owners of any and all Lots accordingly will have no right, title or interest in or to any of said water or water rights.

10.5 Grantor's Exception from Assessments. If Grantor owns any Lots during the first two (2) years following the date Assessments are first assessed against the Owners of Lots, Grantor will not be assessed any Regular Assessments or Special Assessments for any Lots owned by Grantor. If Grantor owns at least one (1) Lot during such period, Grantor will pay the shortfall, if any, in the operating Expenses of the Association; provided, however, such obligation will not exceed the amount that the Regular Assessments and Special Assessments that Grantor would otherwise be assessed as an Owner multiplied by the total number of Lots owned by Grantor on the date Regular Assessments or Special Assessments are assessed against the Owners of Lots. After the foregoing period, Grantor will be assessed Regular Assessments and Special Assessments for each Lot owned by Grantor.

10.6 Assignment of Grantor's Rights. Grantor may assign any or all of its rights under the Community Documents to any person or entity in a written instrument that contains the assignee's acceptance of such assignment and agreement to assume any of Grantor's obligations pertaining to the rights assigned, which acceptance and assumption will be effective upon the recordation of such written instrument recorded in the real property records of Ada County, Idaho. Grantor will promptly provide a copy of the recorded instrument to the Association and, thereupon, be released from Grantor's obligations pertaining to the rights assigned.

**ARTICLE 11
TERM**

The easements created hereunder are perpetual, subject only to extinguishment by the holders of such easements as provided by law. The remainder of this Declaration runs until December 31, 2049 and thereafter will be automatically extended for successive periods of ten (10) years each, unless earlier amended or terminated in accordance with Article 13.

**ARTICLE 12
ANNEXATION AND DEANNEXATION**

Grantor may annex additional lands into the Community from time-to-time by recording a supplement to this Declaration declaring such additional lands to be part of the Community and subject to this Declaration (each a “**Supplemental Declaration**”). Such Supplemental Declaration may add or delete covenants, conditions, restrictions, and easements applicable to the annexed lands as Grantor may deem appropriate. Upon annexation, Owners within the annexed lands shall become Owners in the Community on equal footing with the then current Owners in the Community, and shall have the same rights, privileges and obligations (except as may otherwise be set forth in the annexing Supplemental Declaration). Grantor shall have the right to de-annex any property owned by Grantor from the Community upon Grantor’s recordation of a Supplemental Declaration identifying the de-annexed lands and declaring that such lands shall no longer be subject to this Declaration. In order to be valid, all Supplemental Declarations must refer to this Declaration and be recorded in the real property records of Ada County, Idaho.

**ARTICLE 13
AMENDMENTS**

13.1 Amendment. From and after the recordation of this Declaration until the expiration or earlier termination of the Initial Development Period, Grantor shall have the exclusive right to amend, or terminate, this Declaration by executing a written instrument setting forth such amendment, or termination, and the same shall be effective upon the recordation thereof with the Ada County Recorder’s Office. After the expiration or earlier termination of the Initial Development Period, any amendment to this Declaration, or termination hereof, shall be by a written instrument setting forth such amendment or termination, signed and acknowledged by the president and secretary of the Association certifying and attesting that such amendment or termination has been approved by the vote or written consent of members representing more than sixty-five percent (65%) of the total voting power in the Association, and the same shall be effective upon the recordation thereof with the Ada County Recorder’s Office.

13.2 Effect of Amendment; Mortgagee Protection. Any Supplemental Declaration or amendment or termination of this Declaration will be effective upon its recordation with the Ada County Recorder’s Office and will be binding on and effective as to all Owners, whether or not such Owners voted for or consented to such Supplemental Declaration or amendment or termination. Any Supplemental Declaration or amendment to this Declaration may add to, delete, and/or otherwise change the covenants, conditions, restrictions, and easements applicable to the Community; provided, however, notwithstanding any other provision of this Declaration, no Supplemental Declaration or amendment will operate to defeat or render invalid the rights of the beneficiary under any Mortgage made in good faith and for value, and recorded prior to the recordation of such Supplemental Declaration or amendment, provided that after foreclosure of any such Mortgage, such Lot will remain subject to this Declaration as supplemented or amended.

13.3 No Amendment of Required Provisions. Unless the express written and recorded consent of the City of Boise has been obtained, this Declaration may not be amended or terminated with respect to the following: (a) any provision of this Declaration which has been required by the City of Boise

in its approval of this Declaration, or which affects, recognizes, conveys, and/or confers upon the City of Boise any easement, right, or power; (b) any material provisions relating to easements, access, and/or the operation repair, maintenance, or replacement of Common Area, infrastructure, and/or public works systems; or (c) any dissolution or termination of the Association.

ARTICLE 14 NOTICES

Any notices, invoices, consents, approvals or other communications required or permitted by this Declaration will be in writing and may be delivered personally, by electronic mail or by U.S. mail. Each Owner will be responsible for ensuring that the Association has such Owner's then current mailing address, physical address, electronic mail address and telephone numbers. Each Owner will be deemed to have received any notice when such notice is actually received by such Owner (regardless of the method of delivery) or when such notice is delivered to any of the addresses then currently on file with the Association. Notices delivered by U.S. Mail will not be deemed received until three (3) business after posting. The Association will provide the notice addresses of all Owners to Grantor or any other Owner promptly upon request.
