The Association may contract with Declarant or any affiliate of Declarant to act as Manager pursuant to the terms of this Section.

#### **4.6. Personal Liability.**

No Member of the Board, or member of any committee of the Association, or any officer of the Association or Declarant, or the Manager, if any, shall be personally liable to any Owner, or to any other party, including the Association, for any damage, loss or prejudice suffered or claimed on the account of any act, omission, error, or negligence of the Association, the Board, the Manager, if any, or any officer, committee, or other representative or employee of the Association, Declarant or the Design Committee, provided that such person, upon the basis of such information as may be possessed by such Person, has acted in good faith without willful or intentional misconduct.

### **ARTICLE 5**

#### **OWNERS' ASSOCIATION CONTROL**

##### **5.1. Control of Affairs of Association.**

The Declarant shall appoint the Board and control the Association until administrative responsibility for the Subdivision is turned over to the Owners. On the date that is not later than ninety (90) days after the Class B Member Termination Date (defined below), Declarant shall call a meeting and at such meeting shall turn over administrative responsibility for the Subdivision to the Owners. At the meeting, the Declarant shall deliver to the Association:

5.1.1 The original or a photocopy of the recorded Declaration and copies of the Bylaws and the Articles of Incorporation of Sunfield Estates Subdivision Homeowners Association, Inc., and any supplements and amendments to the Articles or Bylaws;

5.1.2 The minute books, including all minutes, and other books and records of the Association and the Board of Directors;

5.1.3 All rules and regulations adopted by the Declarant;

5.1.4 Resignations of officers and members of the Board of Directors who are concurrently resigning;

5.1.5 Records of all property tax payments for the Common Area to be administered by the Association;

5.1.6 Copies of any income tax returns filed by the Declarant in the name of the Association, and supporting records for the returns;

5.1.7 A copy of the following, if available:

5.1.7.1 The as-built architectural, structural, engineering, mechanical, electrical, plumbing, and sewage plans;

5.1.7.2 The original specifications, indicating all subsequent material changes;

5.1.7.3 The plans for underground site service, site grading, drainage, and landscaping together with cable television drawings; and

5.1.7.4 A list of any general contractor and the electrical, heating, plumbing, and sewage subcontractors responsible for construction or installation of any improvements on the Common Area;

5.1.8 Insurance policies;

5.1.9 Copies of any occupancy permits issued for the Subdivision;

5.1.10 A list of any written warranties on the Common Area that are in effect and the names of the contractor, subcontractor, or supplier who made the installation for which the warranty is in effect;

5.1.11 Employment or service contracts in which the Association is one of the contracting parties, or service contracts in which the Association or the Owners have an obligation or responsibility, directly or indirectly, to pay some or all of the fee or charge of the person performing the service; and

5.1.12 Any other contracts to which the Association is a party.

Declarant shall have full control of the Association by means of its Class B voting rights until those rights end and Declarant turns over control to the Owners by the election of a new Board of Directors in the manner prescribed in the Bylaws.

## **5.2. Voting Rights.**

The Association shall have two classes of voting memberships:

5.2.1 Class A Members. The "Class A Members" shall be all Owners of Lots, with the exception of the Declarant for so long as Declarant is the Class B Member. Until the Class B Member Termination Date (defined below), the Class A Members shall not be entitled to vote upon any matter. Upon the Class B Member Termination Date, Class A Members shall be entitled to one (1) vote (fractional votes are not allowed) for each Lot owned by each such Class A Member. When more than one (1) person holds an interest in any Lot, all such persons shall be Class A Members and the vote for such Lot shall be exercised as they among them determine, but in no event shall more than one (1) vote be cast with respect to any Lot. Upon the Class B Member Termination Date, Declarant shall become a Class A Member and shall be entitled to one (1) vote for each Lot owned by the Declarant.

5.2.2 Class B Member. The “Class B Members” shall be the Declarant, and its successor(s) in title to which successor the Declarant has specifically granted such Class B voting rights in writing; provided, that if such voting rights are not so granted, such successor shall be considered to be a Class A Member with respect to each Lot owned. The Declarant (and its successors in title to whom the Declarant has granted the Class B voting rights, as provided above) may act by and through its designated representative (hereinafter “Declarant’s Delegate”). The Class B Members shall be the only voting Members of the Association entitled to one (1) vote for each Lot owned until the Class B Member Termination Date. Upon the latest to occur of the following events, the Class B membership and Class B voting rights shall be converted to Class A membership: (1) the date upon which the Declarant (and its successors in title to whom the Declarant has granted the Class B voting rights, as provided above) no longer owns any property or Lot within the Subdivision; (2) the date Declarant (and its successors in title to whom the Declarant has granted the Class B voting rights, as provided above) informs the Board in writing that it no longer wishes to exercise its rights as the Class B Member hereunder; or (3) December 31, 2042. Such date shall be the “**Class B Member Termination Date.**” **Until the Class B Member Termination Date, no Class A Member shall have any voting rights in the Association.**

## ARTICLE 6

### PROPERTY RIGHTS IN THE COMMON PROPERTIES

#### 6.1. Members’ Easement of Enjoyment.

The Declarant has conveyed or will convey the Common Area to the Association. Every Member shall have an easement for the use, protection, and maintenance of the Common Area, except for the Buffer Lot, which shall not be accessible to any Member. Such easements for the Common Area shall be appurtenant to and shall pass with the title to every Lot; subject, however, to the following limitations:

6.1.1 The right of the Association, acting by and through its Board, to grant easements for public utilities or for other public purposes consistent with the intended use of the Common Area. Such action shall be preceded by written notice of the action to every Class A Member not less than ten (10) nor more than ninety (90) days prior to such action.

6.1.2 The right of the Association to sell, convey or subject to a security interest any portion of the Common Area subject to such conditions as may be agreed to by the Members entitled to vote thereon. No such sale, conveyance or creation of a security interest shall be effective unless an instrument signed by Members comprising no less than two-thirds (2/3) of the total voting power of the Association, if any, has been recorded in the appropriate records of Ada County, Idaho, agreeing to such sale, conveyance, or creation of security interest. Written notice of the proposed action shall be sent to every Member not less than thirty (30) nor more than ninety (90) days prior to such vote.

6.1.3 The right of the Board of Directors of the Association to promulgate reasonable rules and regulations governing protection and maintenance of the Common Area.

6.1.4 The power to grant and convey to any third party such licenses, easements, and rights-of-way in, on, or under the Common Area as may be necessary or appropriate for the orderly maintenance, preservation, and enjoyment of the same, and for the preservation of the health, safety, convenience, and welfare of the Owners, for the purpose of constructing, erecting, operating, or maintaining the following:

6.1.4.1 Underground lines, cables, wires, conduits, or other devices for the transmission of electricity or electronic signals for lighting, heating, power, telephone, television, or other purposes, and the above ground lighting stanchions, meters, and other facilities associated with the provisions of lighting and services;

6.1.4.2 Public sewers, storm drains, water drains and pipes, water supply systems, sprinkling systems, heating, and gas lines or pipes, and any similar public or quasi-public improvements or facilities; and

6.1.4.3 Mailboxes and sidewalk abutments around such mailboxes or any service facility, berm, fencing and landscaping abutting common areas, public and private streets or land conveyed for any public or quasi-public purpose including, without limitation, pedestrian and bicycle pathways.

## **ARTICLE 7**

### **EASEMENTS**

#### **7.1. Easements of Access.**

Declarant expressly reserves for the benefit of the Real Property and the Association reciprocal easements of ingress and egress for all Owners to and from their respective Lots for installation and repair of utility services, across and upon adjacent Lots and Common Area resulting from the normal use of adjoining Lots and Common Area, and for necessary maintenance and repair of any improvement thereon, including, without limitation, fencing, retaining walls, lighting facilities, mailboxes and sidewalk abutments, trees and landscaping. Such easements may be used by Declarant, and by all Owners, their guests, tenants and invitees, residing on or temporarily visiting the Real Property, for pedestrian walkways, vehicular access and such other purposes reasonably necessary for the use and enjoyment of a Lot or the Common Area.

#### **7.2. Drainage and Utility Easements.**

The Owners of Lots are hereby restricted and enjoined from constructing or altering any improvements upon any drainage or utility easement areas as shown on the Plat or otherwise

designated in any recorded document which would interfere with or prevent the easement from being used for its intended purpose; provided, however that any Owner, Association, or the Declarant owning a Lot upon which such easement is located, shall be entitled to install and maintain landscaping on such easement areas, subject to approval by the Design Committee, so long as the same would not interfere with or prevent the easement areas from being used for their intended purposes. Any damage sustained to such improvements on the easement areas as a result of legitimate use of the easement area shall be the sole and exclusive obligation of the Owner of the Lot where improvements were so damaged, or in the event the easement area where improvements were so damaged is located in a Common Area, the Association shall be responsible for the damage sustained and may impose a Special or Limited Assessment therefore.

### **7.3. General Landscaping.**

An easement is hereby reserved to the Declarant and the Association, its contractors, employees, and agents, to enter those portions of Lots, for the purpose of installing, maintaining, replacing, and restoring exterior landscaping and natural vegetation and habitat. Such landscaping activity shall include, by way of illustration and not of limitation, the mowing of lawns, irrigation, sprinkling, tree and shrub trimming and pruning, walkway improvement, seasonal planting, and such landscaping activities within the Real Property as the Association shall determine to be necessary from time to time.

### **7.4. Declarant's Rights Incident to Construction.**

Declarant, for itself and its successors and assigns, hereby retains a right and easement of ingress and egress over, in, upon, under, and across the Real Property and the right to store materials thereon and to make such other use thereof as may be reasonably necessary or incident to the construction of the improvements on that portion of the Real Property owned by Declarant; provided, however, that no such rights shall be exercised by Declarant in such a way as to unreasonably interfere with the occupancy, use, enjoyment, or access to an Owner's Lot by that Owner or such Owner's family, tenants, employees, guests, or invitees.

### **7.5. Emergency Easement.**

A general easement is hereby granted to all police, sheriff, fire protection, ambulance, and all other similar emergency agencies or persons to enter upon the Real Property in the proper performance of their duties.

### **7.6. Maintenance Easement.**

An easement is hereby reserved to Declarant, which may be granted to the Association, and any member of its Board, and their respective officers, agents, employees, and assigns, upon, across, over, in, and under the Lots and a right to make such use of the Lots as may be necessary or appropriate to make emergency repairs or to perform the duties and functions which the Association is obligated or permitted to perform pursuant to the Project Documents, including the

right to enter upon any Lot for the purpose of performing maintenance to the Private Residential Pressure Sewer System, the Storm Drainage System, the landscaping, or the exterior of improvements to such Lot as required by the Project Documents.

## ARTICLE 8

### COVENANT FOR ASSESSMENTS

#### 8.1. Purpose of Assessments.

The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment, and protection of the Members and other users of the Subdivision and in particular for the preservation and maintenance of Common Area, including the pathway(s) located thereon, streetlights, the Private Residential Pressure Sewer System, the Storm Drainage System, and other property designated by the Board of Directors of the Association. Such purposes shall also include but not be limited to the cost to operate, maintain, and otherwise manage or provide for the operation, maintenance, and management of the Common Area, including the pathway(s) located thereon, streetlights, the Private Residential Pressure Sewer System, and the Storm Drainage System including the repair and replacement of property damaged or destroyed by casualty loss, including any signs placed at the entrances to, or otherwise in the vicinity of the Real Property. All drainage areas, waterways, and similar portions of the Real Property shall be maintained in accordance with sound hydrological principles. The Association shall, at Declarant's discretion, operate and maintain all properties owned by Declarant which are designated by Declarant for temporary or permanent use by Members of the Association.

#### 8.2. Regular Assessments.

All Owners are obligated to pay Regular Assessments to the treasurer of the Association on a schedule of payments established by the Board.

8.2.1 Purpose of Regular Assessments. The proceeds from Regular Assessments are to be used to pay for all costs and expenses incurred by the Association, including legal and attorneys' fees and other professional fees, for the conduct of its affairs, including without limitation the costs and expenses of fulfilling its duties set forth in Article IV above, and the construction, improvement, protection, maintenance, repair, management and operation of the Common Area, including the pathway(s) located thereon, streetlights, the Private Residential Pressure Sewer System, the Storm Drainage System, including all improvements located on such areas owned and/or managed and maintained by the Association (the "Operating Expenses"), and an amount allocated to an adequate reserve fund to be used for repair, replacement, maintenance and improvement of those elements of the Common Area, including the pathway(s) located thereon, streetlights, the Private Residential Pressure Sewer System, the Storm Drainage System, or other property of the Association that must be replaced and maintained on a regular basis (the "Repair Expenses"). The Operating Expenses and the Repair Expenses, and any other expenses

necessary to acquire all assets and services and to otherwise carry out the powers, duties and responsibilities of the Association, are collectively referred to herein as the "Expenses."

8.2.2 Computation of Regular Assessments. The Association shall compute the amount of its Expenses on an annual basis. The Board shall compute and levy the amount of Regular Assessments owed by its Members for the first fiscal year within six (6) months following the month in which the closing of the first sale of a Lot occurs in the Real Property for the purposes of the Association's Regular Assessment ("Initiation Date"). Thereafter, the computation of Regular Assessments by the Association shall take place not less than sixty (60) days before the beginning of each fiscal year of the Association. The computation of the Regular Assessment for the period from the Initiation Date until the beginning of the next fiscal year shall be reduced by an amount which fairly reflects the fact that such period was less than one (1) year.

8.2.2.1 Amounts paid by Owners. The Board can require, in its discretion or as provided in the Project Documents, payment of Regular Assessments to the Association in monthly, quarterly, semi-annual, or annual installments. Regardless of the installment schedule adopted by the Board, the Board may bill for Assessments monthly, quarterly, semi-annually, or annually, at its discretion. With respect to the Regular Assessments to be paid by any particular Owner for any given fiscal year, each Owner, except for the Declarant, shall be assessed and shall pay an amount computed by multiplying the Association's total advance estimate of Expenses by the fraction produced by dividing the Lots attributable to the Owner by the total number of Lots in the Real Property.

### **8.3. Special Assessments.**

8.3.1 Purpose and Procedure. In the event that the Board shall determine that its respective Regular Assessment for a given calendar year is or will be inadequate to meet the Expenses of the Association for any reason, including, without limitation, costs of construction, improvement, protection, maintenance, repair, management and operation of improvements upon the Common Area, including the pathway(s) located thereon, streetlights, the Private Residential Pressure Sewer System, the Storm Drainage System, attorney's fees and/or litigation costs, other professional fees, or for any other reason, the Board shall determine the approximate amount necessary to defray such Expenses and levy a Special Assessment against the Real Property which shall be computed in the same manner as Regular Assessments. The Board shall, in its discretion, determine the schedule under which such Special Assessment will be paid.

8.3.2 Consistent Basis of Assessment. Every Special Assessment levied by and for the Association shall be levied and paid upon the same basis as that prescribed for the levying and payment of Regular Assessments for the Association.

#### **8.4. Limited Assessments.**

Notwithstanding the above provisions with respect to Regular and Special Assessments, the Board of the Association may levy a Limited Assessment against a Member and/or such Member's Lot as a remedy to reimburse the Association for costs incurred in bringing the Member and/or such Member's Lot into compliance with the provisions of the Project Documents, for damage caused by the Member, a Member's tenant, representative or invitee, or any member of the Member's family, to any Common Area, Private Residential Pressure Sewer System, or any other portion of the Real Property or for otherwise providing any goods or services benefiting less than all Members or such Members' Lots.

#### **8.5. Notice and Assessment Due Date.**

Except with regard to the first Assessment, thirty (30) days prior written notice of Regular and Special Assessments shall be sent to the Owner of every Lot subject thereto, and to any person in possession of such Lot by the Association. The Association shall determine if payments for all Assessments shall be due monthly, quarterly, semi-annually, or annually. The Assessment installment schedule shall be the same for all Association Assessments. The due dates for installment payment of Regular Assessments and Special Assessments shall be the first day of the month unless some other due date is established by the Board. Each installment of the Regular Assessment or Special Assessment shall become delinquent if not paid within ten (10) days after the date due. There may accrue, at the Board's discretion, with each delinquent installment payment a late charge equal to ten percent (10%) of the delinquent installment. In addition, each installment payment which is delinquent for more than twenty (20) days may accrue, at the Board's discretion, interest at the rate of eighteen percent (18%) per annum calculated from the date of delinquency to and including the date full payment is received by the Association. The Association may bring an action against the delinquent Owner and may foreclose the lien against such Owner's Lot as more fully provided herein. Each Owner is personally liable for Assessments, together with all interest, costs and attorneys' fees, and no Owner may be exempt from such liability by a waiver of the use and enjoyment of the Common Area, or by lease or abandonment of such Owner's Lot.

#### **8.6. Reserve Account.**

The Association may, but is not required to, establish and fund one or more reserve accounts with a reputable banking institution or savings and loan association or title insurance company authorized to do business in the State of Idaho, which reserve account shall be dedicated to the costs of repair, replacement, maintenance and improvement of the Common Area, streetlights, pathway, the Private Residential Pressure Sewer System, the Storm Drainage System, respectively. Any reserve account established under this Section shall be funded by separate reserve assessments against the Lots in such amount as the Owners may approve as a part of the annual Association budget. Any reserve account shall be established in the name of the Association. The Association shall be responsible for administering the account. Assessments paid into the reserve account are the property of the Association and are not refundable to sellers or Owners of Lots.

### **8.7. Special Assessments for Capital Improvements.**

In addition to the annual assessments authorized above, the Board of Directors may levy in any assessment year a special assessment applicable to that year only, for the purposes of defraying, in whole or in part, the costs of any unexpected or unfunded maintenance for the Common Area streetlights, pathway, the Private Residential Pressure Sewer System, and the Storm Drainage System. This Section shall not prohibit the Board from authorizing capital expenditures for replacement, repairs, or improvements from funds generated by regular assessments.

### **8.8. Effect of Nonpayment of Assessments; Liens; Remedies of the Association.**

8.8.1 Right to Enforce. The Association has the right to collect and enforce its Assessments, including any late charges and/or interest accrued thereon pursuant to the provisions hereof. Each Owner shall be deemed to covenant and agree to pay each and every Assessment provided for in this Declaration, including any late charges and/or interest accrued thereon, and agrees to the enforcement of all Assessments in the manner herein specified. In the event an attorney or attorneys are employed for the collection of any Assessment, whether by suit or otherwise, or to enforce compliance with or specific performance of the terms and conditions of this Declaration, each Owner agrees to pay reasonable attorneys' fees and costs, including the costs and expenses for any lien or lien releases, in addition to any other relief or remedy obtained against such Owner. The Board or its authorized representative may enforce the obligations of the Owners to pay such Assessments by commencement and maintenance of a suit at law or in equity, or the Board may exercise the power of foreclosure and sale pursuant to this Section to enforce the liens created pursuant to this Section. A suit to recover a money judgment for an unpaid Assessment shall be maintainable without foreclosing or waiving the lien hereinafter provided.

#### 8.8.2 Assessment Liens.

8.8.2.1 Creation. There is hereby created a claim of lien with power of sale on each and every Lot to secure payment of any and all Assessments levied against such Lot pursuant to this Declaration together with interest thereon at the rate of twelve percent (12%) per annum, and all costs of collection which may be paid or incurred by the Association making the Assessment in connection therewith, including without limitation, reasonable attorneys' fees and or any fee charged by a trustee for conducting a foreclosure sale pursuant to any lien that is foreclosed upon, or any fee for title report, or other fees associated with a foreclosure. All sums assessed in accordance with the provisions of this Declaration shall constitute a lien on such respective Lot upon recordation of a notice of assessment with the Ada County Recorder. Such lien shall be prior and superior to all other liens or claims created subsequent to the recordation of the notice of assessment except for tax liens for real property taxes on any Lot and any assessment on any Lot in favor of any municipal or other governmental assessing body which, by law, would be superior thereto.

8.8.2.2 Notice of Claim. Upon default of any Owner in the payment of any Assessments issued hereunder, upon approval of the Board, a member of the Board may cause a notice of claim to be recorded in the office of the Ada County Recorder, as applicable. The notice shall comply with Idaho Code and shall state the amount due for the unpaid assessments after deducting all just credits and offsets and other authorized charges (including the cost of recording such notice), a sufficient description of the Lot against which the same have been assessed, the name of the Association, and the name of the record Owner thereof. Said claim shall be served upon the Owner in compliance with Idaho Code. Each assessment shall constitute a separate basis for a notice of claim, but any number of assessments may be included within a single notice. Upon payment to the Association of such assessment and charges in connection therewith or other satisfaction thereof, the Board shall cause to be recorded a further notice stating the satisfaction and the release of the lien thereof. The Association may demand and receive the cost of preparing and recording such release before recording the same.

8.8.2.3 Method of Foreclosure. Such lien may be foreclosed by appropriate action in court or by sale by the Association, its attorney or other person authorized to make the sale. Such sale shall be conducted in accordance with the provisions of the Idaho Code applicable to the exercise of powers of sale in deeds of trust or any other manner permitted by law. The Board is hereby authorized to appoint its attorney or any title company authorized to do business in Idaho as trustee for the purpose of conducting such sale or foreclosure.

8.8.2.4 Required Notice. No action may be brought to foreclose the lien created by recordation of the notice of claim, whether judicially, by power of sale or otherwise, until the expiration of thirty (30) days after a copy of such notice of claim has been deposited in the United States mail, certified or registered, postage prepaid, to the Owner (at the address of such Owner's Lot) described in such notice of claim, and to the person in possession of such Lot(s) and a copy thereof is recorded by the Association in the Ada or County Recorder's Office.

8.8.2.5 Subordination to Certain Trust Deeds. The lien for the Assessments provided for herein in connection with a given Lot shall be subordinate to the lien of a first deed of trust or first mortgage given and made in good faith and for value that is of record as an encumbrance against such Lot prior to the recordation of a claim of lien for the Assessments. The sale or transfer of any Lot shall not affect the Assessment lien provided for herein, nor the creation thereof by the recordation of a claim of lien, on account of the Assessments becoming due whether before, on, or after the date of such sale or transfer, nor shall such sale or transfer diminish or defeat the personal obligation of any Owner for delinquent Assessments as provided for in this Declaration.

### **8.9. Exempt Property.**

The following property which is subject to this Declaration shall be exempt from the assessments created herein: (a) all properties expressly dedicated to and accepted by a local public authority; and (b) all unimproved Lots owned by Declarant, and (c) any finished Lot owned by Declarant.

### **8.10. Set Up, Transfer Fee and Initial Regular Assessment.**

Assessments shall commence as to each Lot upon the closing of the first sale of such Lot from Declarant, or as to the remaining Lots owned by Declarant, when such Lots are no longer offered for sale to the general public. At each such closing, the Owner thereof shall pay a setup fee in the amount of Four Hundred Dollars (\$400.00) and also such portion of the existing Regular Assessment, pro-rated for the remainder of the calendar year. These initial Assessments shall be paid to the Declarant to reimburse the Declarant the setup costs and the maintenance of the Common Area and related facilities and other Association costs incurred or to be incurred by the Declarant prior to the Class B Termination Date. The pro rata portion of the Regular Assessment will be paid to the Declarant for each closing that occurs prior to the Class B Termination Date and only be paid to the Association if the Association has conducted its first annual meeting, elected a Board of Directors and assumed the obligations and expenses of the Association. The Declarant shall have the exclusive use of the assessments for the purposes of discharging the duties and obligations of the Association until the Class B Termination Date. For each Lot that has been sold to a builder who subsequently conveys the Lot to a homeowner; or for each Lot that is purchased from the Declarant by a homeowner, there shall be assessed against such Lot a transfer fee in the sum of Three Hundred Dollars (\$300.00), which fee shall be utilized by the Declarant to cover any management fee incurred in connection with the management of the affairs of the Association. The Association, upon its first meeting, shall initiate Assessments in accordance with this Declaration without regard to or an accounting of the initial deposits or other Assessments previously paid to the Declarant.

## **ARTICLE 9**

### **ENCROACHMENTS**

If any portion of a Residence or other Structure now or hereafter constructed upon any Lot encroaches upon any part of the Common Area or upon a Lot or Lots used or designated for use by an Owner of another Lot, such Residence or other Structure shall promptly be removed by its Owner.

## **ARTICLE 10**

### **DEVELOPMENT STANDARDS**

#### **10.1. Land and Building Type.**

No Lot shall be used except for single family residential purposes. No Lot shall be subdivided or partitioned. No improvement shall be erected, altered, placed or permitted to remain on any Lot other than one detached single family dwelling, with a garage, and a storage building, detached shop, or shed, if desired, as permitted by this Declaration and as approved by the Design Committee. Any such storage building, detached, shop, or shed must be set back at least five (5) feet from all Lot lines, be built or placed on blocks or skid mounted, and the design, roof, colors,

and construction materials must match the family dwelling, and otherwise comply with all rules, regulations, codes ordinances and laws of applicable governmental entities having jurisdiction thereof. Before construction of any such exterior building may commence, all plans, specs, and color selections must comply with the Design Guidelines and be approved in writing by the Design Committee and/or Board. This Declaration is not intended to serve as authority for the Design Committee to control the interior layout or design of residential Structures except to the extent necessitated by use, size and height restrictions. The Declaration is intended to serve as authority for the Design Committee or its designate to use its judgment to see that all Structures and improvements conform and harmonize as to external design, quality and type of construction, architectural character, materials, location on the Real Property, height, grade and finished ground elevation, landscaping and all aesthetic considerations as set forth in this declaration or the design guidelines promulgated by the Design Committee (the "Design Guidelines"). Plans and specifications shall be submitted to the Board for approval prior to the commencement of construction or earthwork. Plan and specification approval shall not be unreasonably withheld nor conditioned with respect to the construction of a Residence on a Lot in accordance with this Declaration. However, Declarant's use of any Residence on a Lot as a sales office or model home for purposes of sales in the Subdivision shall not be subject to the regulation of the Board during all times in which Declarant owns Lots within the Subdivision.

#### **10.2. Plat Easements.**

The easements shown on the Plat shall be permanent and shall benefit and burden the Real Property as indicated on the Plat. Such easements shall run under, over, and across the Real Property as shown on the Plat, for the purposes indicated upon the Plat. The public and private utility easements shown on the Plat shall be for the purpose of erecting, installing, constructing, maintaining and operating sewers and drainage and irrigating systems, and pipe, wires, cables and conduits for lighting, heating, power, telephone and any other method of conducting and performing any public or quasi-public utility service or function beneath, upon, or above the surface of such Real Property. Within these easements, no Structure, fence, planting or other materials shall be placed or permitted to remain which may damage or interfere with the installation or maintenance of such utilities or facilities, or which may change the direction of flow of water through a drainage channel or facilities in the easements or which may obstruct or retard the flow of water through drainage channels in the easements. However, with prior written approval by the Board, an Owner may place removable Structures or place surface coverings such as asphalt or concrete on this easement area or install fencing, plant shrubbery in this area or otherwise landscape this area, if the Owner agrees to remove same at Owner's expense whenever it is necessary to have access to the surface or sub-surface property within the easement for the purpose specified herein. Any utility facilities shall be maintained, repaired and replaced solely by the benefited party who placed them in the easement area except to the extent they are damaged through the fault of an Owner.

### **10.3. Setbacks.**

No building or other structure (exclusive of fences and similar structures approved by the Design Committee) shall be located on a Lot nearer to a Lot line than the distance permitted by (i) the ordinances of the City of Star applicable to the Real Property except as may be modified by a conditional use permit issued by the City of Star, (ii) the Design Committee Design Guidelines or approval, or (iii) this Declaration, whichever requires the greater distance. The Design Committee shall have the right to stagger setbacks of the Lot in order to create a more pleasing appearance and to minimize the negative visual appearance of a uniform building line. The front (and side, for corner Lots) lot lines may be located into the sidewalk.

### **10.4. Garages; Minimum Square Footage of Living Space.**

Each Residence shall have an attached or detached fully enclosed garage having minimum capacity or square footage as set forth in the Design Committee Design Guidelines or otherwise required by the Design Committee. Lots 6, 7, 8, 9, 12, 13, and 14, Block 1, shall be restricted to single-story home construction. No carports will be allowed. The minimum square footage of living area within a Residence shall be (i) at least 1600 square feet if located on a Lot with an area less than 13,000 square feet, (ii) at least 2,000 square feet if located on a Lot with an area in excess of 13,000 square feet, and (iii) must otherwise comply with the Design Guidelines as approved by the Design Committee in its sole and absolute discretion. The square footage of the living area shall be based upon the finished interior living space at or above the grade of the Lot, exclusive of basement, porches, patios and garage. Any changes to home color, structure, additions, patios, porches, outbuildings or other exterior structures must comply with Design Guidelines and require the prior approval of the Design Committee and/or Board. THE OWNER (OR HIS/HER BUILDER) SHOULD REVIEW THE Design Committee DESIGN GUIDELINES.

### **10.5. Temporary Structure.**

No Structure of a temporary nature, nor any trailer, shall be used at any time as a Residence, either temporary or permanent. Notwithstanding the foregoing, this Section shall not be deemed to prevent the storage, during the course of construction of a Residence on a Lot, of construction materials and equipment on said Lot as may be necessary for such construction.

### **10.6. Landscaping.**

A landscape plan is required to be submitted to the Design Committee for approval. The Owner is required to follow all guidelines set forth for landscaping by the Design Committee at all times. All landscaping (including automatic sprinklers) on the front, and side, and back yards of a Lot, along with the rear fencing, must be completed upon substantial completion of construction of a Residence on the Lot, and other required landscaping of a Lot must be completed within ninety (90) days from substantial completion of a Residence. In the event of undue hardship due to weather conditions, this provision may be extended for a reasonable length of time, but only to the extent permitted by applicable law, upon written approval of the Board. Landscaping shall

also include provisions for adequate surface water drainage to prevent unnecessary discharge onto adjoining Lots. The Board and or the Design Committee may, from time to time, establish specific requirements related to the types of shrubbery or plants to be located on the Lots. The Owner of each Lot must keep yards and landscaping free from garbage, debris, and junk, and must be weeded regularly. Sod is to remain watered and mowed. The Association must place the direct supervision of the low-pressure sewer system under the responsible charge of a wastewater operator who holds a valid Idaho license equal to or greater than the classification of the Private Residential Pressure Sewer System. Only qualified personnel who have obtained a Wastewater Operator Certification shall operate the sewer system. To ensure

the availability of a wastewater operator, the Association shall retain one or more Designated Wastewater Operators with a valid Wastewater Operator Certification and a valid Idaho license equal to or greater than the classification of the Private Residential Pressure Sewer System. The services of said Designated Wastewater Operators shall be paid for from Regular or Special Assessments. At closing of any Lot sale, the Association will provide the Owner with the contact information for the Designated Wastewater Operator(s) and a number for emergence services.

17.4.3. Owners responsible for maintenance, repair, and improvement of Private Residential Pressure Sewer System on Lots. The Owners shall be responsible for maintaining, repairing, replacing, and upgrading all components of the plumbing in the structures on each Owner's Lot. Notwithstanding Section 17.4.1, the Owners maintenance and repair obligations end at the Grinder Pump Station if such Lot has a Grinder Pump Station located on the Lot, or at the lot line if such Lot does not have a Grinder Pump Station located on the Lot. However, if necessary for the overall maintenance, repair, or upgrade of the Private Residential Pressure Sewer System, the Association may access, maintain, repair, replace, or upgrade all components of the Private Residential Pressure Sewer System between the Grinder Pump Station or Lot Line, as the case may be, and any Structure on the Lot. The Owners shall bear the cost of such maintenance, repair, replacement, or upgrade of the Private Residential Pressure Sewer System between the Grinder Pump Station or Lot Line, as the case may be, and any Structure on the Lot, unless such maintenance, repair, replacement, or upgrade, is routine or systemwide. **ALL OWNER MAINTENANCE, REPAIRS, REPLACEMENTS, OR UPGRADES TO THE COMPONENTS OF THE PRIVATE RESIDENTIAL PRESSURE SEWER SYSTEM ON THE OWNER'S LOT MUST BE PERFORMED BY A DESIGNATED WASTEWATER OPERATOR DESIGNATED BY THE ASSOCIATION.** Failure of an Owner to pay for maintenance, repairs, replacements, or upgrades that are non-routine or not systemwide, will subject the owner to Limited Assessments by the Association. Failure of an Owner to timely notify the Association of the Designated Wastewater Operator of any system failure or need for maintenance, repairs, replacements, or upgrades that are non-routine or not systemwide, will subject the owner to Limited Assessments by the Association, if the Owner's failure to notify results in substantial damage to the portions of the Private Residential Pressure Sewer System the Association is required to maintain.

## ARTICLE 18

### GENERAL PROVISIONS

#### 18.1. Severability.

Invalidation of any one or more of the provisions of this Declaration by judgment or court order shall in no way affect any other provision which shall remain in full force and effect.

#### 18.2. Duration and Amendment.

The provisions of this Declaration shall be perpetual, subject only to extinguishment by the holders of such restrictions as provided by law. Until the recordation of the first deed

to a Lot, the provisions of this Declaration may be amended, modified, clarified, supplemented added to or terminated by Declarant by recordation of a written instrument setting forth such amendment. After the recordation of the first deed to a Lot, any amendment to this Declaration, other than to this Article 16, shall be by an instrument in writing signed by the president and secretary of the Association certifying that such amendment has been approved by the vote or written consent of seventy-five percent (75%) of the total voting power of the Association, and such amendment shall be effective upon its recordation in the records of Ada County, Idaho. Easements herein granted and reserved shall not be amended except by instrument signed and acknowledged by all of the Owners of the property concerned, and by the Association. Any amendment of this Declaration approved in the manner specified above shall be binding on and effective as to all Owners and their respective properties notwithstanding that such Owners may not have voted for or consented to such amendment. Such amendments may add to and increase the covenants, conditions, restrictions and easements applicable to the Real Property but shall not prohibit or unreasonably interfere with the allowed uses of such Owner's property which existed prior to the said amendment.

### **18.3. No Right of Reversion.**

Nothing in this Declaration, or in any form of deed which may be used by Declarant, in selling the Subdivision, or any Lot or part thereof, shall be deemed to vest or reserve in Declarant or the Association any right of reversion or reentry for breach or violation of any one or more of the provisions hereof.

### **18.4. Rights of Mortgagees Relating to Maintenance.**

At any time that any part of the Common Area, or any other part of the Subdivision, or any Structure, Residence, Lot, or other building or improvement located thereon is not in accordance with this Declaration or the Association's Bylaws or is not properly maintained and kept in good order and repair to the extent reasonably necessary to protect and preserve the appearance and value thereof and the appearance and value of the remainder of the Subdivision, then the record owner of any mortgage or trust deed upon any part of the Real Property or Residence or building thereon, upon giving written notice as hereinafter provided, shall be entitled to exercise the rights of the Owner-mortgagor of such property as a Member of the Association (to the exclusion of such Owner-Mortgagor) including the right to vote at all regular and special meetings of the Members of the Association for a period of one (1) year following the date of such notice. During said period of time mortgagees shall be given notice of all regular and special meetings of the Association, and the Owner-mortgagor shall receive such notice also and may attend such meeting as an observer. Said notice shall quote this paragraph and shall be sent by certified United States mail, return receipt requested, to the Owner-mortgagor, with a copy by regular mail to the Association at the last-known address of each.

**18.5. Loss of Property.**

In order to protect and preserve the appearance and value of the Real Property, each Owner is required to immediately commence, and diligently pursue without delay, the repair or rebuilding of his Residence or other Structure after any loss to it.

**18.6. Notices.**

Unless otherwise provided herein, any notice required to be sent to any Member or Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, prepaid, to the last address provided to the Association in writing by the person who appears as Member or Owner on the records of the Association at the time of such mailing.

**18.7. Assignment.**

If the Declarant conveys its title all or part of the Lots to a third party and designates in such conveyance that such party shall be the successor Declarant then such successor Declarant shall have all duties, rights, powers and reservations of the Declarant contained in this Declaration upon the acceptance and recording of such conveyance.

**17.8. Conflicting Provisions.**

In case of any conflict between this Declaration and the Bylaws, this Declaration shall control.

**18.9. Mortgage Protection.**

Notwithstanding any other provision of this Declaration, no amendment of this Declaration shall operate to defeat or render invalid the rights of the beneficiary under any first deed of trust or first mortgage upon a Lot made in good faith and for value, and recorded prior to the recordation of such amendment, provided that after the foreclosure of any such deed of trust or mortgage such Lot shall remain subject to this Declaration.

**18.10. Owners' Further Acknowledgements.**

By accepting a deed to any Lot contained within the Real Property, each Owner acknowledges and agrees that Owner has read and understands the Project Documents.
